On 7/7/2016 at approximately 9:54 AM, Dixon Police Department conducted a probation compliance check in the 300 block of Manning Way. The compliance check was part of an investigation related to a recent residential burglary at a separate Dixon residence. A firearm was reported stolen in that burglary.

During this morning's compliance check, three subjects barricaded themselves in a bedroom, along with a dog. For more than two hours Dixon Police Officers and Solano County Deputies attempted to communicate with the suspects and directed them to come out of the bedroom. Initially, the suspects were uncooperative and did not follow the lawful commands. Approximately three hours after officers first arrived on scene, the three suspects came out of the bedroom. They were taken into custody without further incident. No injuries were incurred by the suspects.
