4TH OF JULY AND ILLEGAL FIREWORKS

Dixon, CA – TNT Fireworks announced today the launch of their smartphone app that allows residents to report illegal fireworks. TNT's press release states the information will be emailed to the appropriate jurisdiction's police and fire departments for investigation.

Please note, the Dixon Police and Fire Departments **do not subscribe** to this service, and therefore will not receive the information from this app. If you would like to report the sale and/or use of illegal fireworks, please use the standard method for reporting; call 9-1-1, or call the non-emergency dispatch number of 707-678-7082.

The Fire Department encourages citizens to prepare and celebrate safely. Only adults should use fireworks, and a hose or bucket of water should be ready to cool off used fireworks. Fireworks should not be used near dry vegetation or near buildings. Have a safe Fourth of July!
