A MESSAGE FROM THE CHIEF

In 2011, the crime rate in Dixon continued to decline thanks to the dedicated efforts of our staff and an effective partnership with the community we serve. We have a great staff at the Dixon Police Department and I am proud to serve with every one of them. Public safety is a never-ending job, with officers working around the clock to protect us all, but they need your support and partnership to be effective.

One example of a successful partnership is the on-going development of the Teen Center. It provides a safe place for our youth to hang out, have fun, and build personal assets for success in life. The Teen Center has succeeded because of dedicated volunteers building partnerships between our City Government, School District, Service Groups, Faith Based Groups, Local Businesses, and individuals who care about investing in our youth. The Dixon Teen Center opened in January of 2011 and serves over a hundred teens every Friday and Saturday night. It has been a great year, but the continued success of the Teen Center will depend on more volunteers, and we invite you to be a part of our team

Our Dixon Police Department core objectives are: *Enhance Community Policing, Maximize Community Participation, Commit to a "Drug-Free Dixon", Ensure Safe Streets, and Improve Internal Police Department Operations.*

Enhance Community Policing: Our sub-beat program continues to be very effective as officers are assigned community quality of life issues outside of their normal day-to-day responsibilities. Officers attend Community Policing and Problem Solving training, and our Community Action and Awareness staff position continues, despite funding reductions. This position is critical to the Community Policing mission, and we will continue to do everything possible to maintain this staffing.

Maximize Community Participation: We have conducted numerous informational meetings with community groups and our schools. We have been active in supporting numerous community events including the Mayfair, Lambtown, Downtown Dixon Tree Lighting, DDBA Halloween Trick or Treating, Senior Health Fair, Grill in' and Chill in', and the Community Block Party.

Commit to a Drug-Free Dixon: We are still an active participant in the Solano County Narcotics Enforcement Team, despite budget reductions. We participate in the City of Dixon Alcohol, Tobacco and Other Drugs City Team (ATOD) and conduct alcohol and tobacco decoy operations to keep tobacco and alcohol out of the hands of our youth.

Ensure Safe Streets: Our goal is to continue to lower the collision rate, especially those involving injury. We utilize the traffic radar trailer throughout the City of Dixon on main thoroughfares as well as residential streets to increase public awareness and responsibility. We train our staff in courses on Radar Enforcement, Driving Under the Influence of Alcohol, and traffic collision investigation. We actively participate in the Solano County "Avoid the 10" Alcohol Enforcement program conducting DUI checkpoints and saturation enforcement in our city and throughout the region.

Improve Internal Police Department Operations: A revision of the Police Department Policy Manual takes place two times per year, and sworn staff receive frequent training through our Daily Training Bulletins. Compliance checks were conducted in collaboration with State Parole, Solano County Probation, Solano County Narcotics Enforcement Team, and the Solano County Sheriff Department. We have increased the participation in our chaplain program, and added more volunteers to our cadet and reserve police officer ranks. Our COPPS Re-Hire Grant funding is still in place, and we are in the process of hiring more police officers to fill vacancies created by retirements.

We handled over 14,000 calls for service last year with a response time to critical calls of two and a half minutes or less. Pro-active law enforcement has led to our success in maintaining a low crime rate in most categories despite difficult economic times. After seeing a 30% reduction in Part I Crimes in 2009 and a 12% reduction in 2010, we had an additional 26% reduction in 2011. Keeping crime down will be very challenging in the years to come due to changes made by the State of California impacting cities and counties. The shifting of state inmates to local jails and the increase of unsupervised parolees will have an impact on crime, so we will need your assistance more than ever to keep our community as safe as possible. I look forward to meeting this challenge with you and know that together we will succeed. Our officers cannot be everywhere, at all times, so we need you to be our eyes and ears so we know what's going on, how we are doing, and how we can continue to improve our service.

I appreciate you taking the time to review this annual report. I am very proud of our staff at the Dixon Police Department, and all they have accomplished this last year. They are good men and women who risk their lives every day to protect you and your family. Please continue to support them by being involved in your community and being a good neighbor. Have a safe year, and thank you for the opportunity to serve as your Police Chief.

Jon E. Cox
Chief of Police
Dixon Police Department

ORGANIZATION AND OPERATIONAL COMPONENTS

The Dixon Police Department is responsible for the protection of life and property, the maintenance of order, the control and prevention of crime, and the enforcement of motor vehicle laws and regulations. The Chief of Police is the executive officer who oversees the bureaus of the Dixon Police Department.

Police Administration

- Coordination and Direction of the Police Department
- Recruitment and Employment, Background Investigations, Organizational Staffing, Administration and Personnel Management
- Employee Training
- Budgeting and Fiscal Management
- Strategic Planning
- Research & Development
- Internal Investigations
- Inspection & Operations
- Professional Standards – Policy & Procedure
- Administrative functions as directed by the City Manager and Council

Police Administration Section Personnel

<u>Name</u>	<u>Position</u>	<u>Years of Service</u>
Jon E. Cox	Chief of Police	28
Renee Protich	Administrative Assistant	7

Field Operations – Patrol

Captain Steven Bird – Operations Commander

The men and women of the Field Operations Division perform the most visible and recognized functions of the Dixon Police Department. They are the ones who respond to calls for service, the ones seen on the street behind the wheel of a police car, looking for a lost child, comforting the victim of a crime, or arresting an intoxicated driver. The quality of life and low crime rate experienced in Dixon is greatly attributed to the service provided by these individuals.

A summary of patrol duties include:

- Preventive patrol, security inspections, vacation house checks, field contacts
- Alarm responses
- Investigation and apprehension for crimes against persons and property, vice, traffic
- Preservation of the public peace and order
- Traffic education, preventive traffic patrols, accident investigation, parking services
- Enforcement of traffic laws
- Maintenance of public order in connection with parades and special events
- Mutual Aid and Civil Defense Assistance
- Public and emergency services as they relate to assistance and rescue
- Missing Persons, lost and found property, and abandoned auto control
- Civil and Social Service Investigations
- First level rehabilitation treatment for juvenile offenders, both traffic and criminal
- Investigation of juvenile offenses

During 2011, patrol staffing was reduced by three officers due to one vacant officer position and two patrol officers on medical leave for injuries related to service. This resulted in one officer retiring in July and one officer being off-duty or on modified duty for five months. Additionally, a long time patrol sergeant retired in December after twenty-seven years of dedicated service. It should also be mentioned that several senior patrol officers were awarded the opportunity to act in the capacity of acting patrol sergeant over a period of eleven months, until a new sergeant promotion was made in November of 2011. This also reduced patrol officer numbers. Patrol staffing levels were further reduced with the continuation of mandatory work furloughs. Patrol personnel were required to take eight hours of unpaid furlough leave per month.

With the loss of patrol staffing, officers' patrol shifts were adjusted frequently in order to reduce overtime and provide sufficient staffing levels for patrol. A shift adjustment consisted of either a change to the officers' assigned work hours or a change to the officer's assigned shift.

Patrol had fourteen (authorized for sixteen) officers assigned during 2011. This included one Captain, three Sergeants, one Acting Sergeant, nine patrol officers, and two officers on modified duty status. In addition to the police officers, there is one Community Service Officer assigned to patrol. Altogether, personnel assigned to the Patrol Operations Division have over 232 years of law enforcement experience.

Field Operations Section Personnel

<u>Name</u>	<u>Position</u>	<u>Years of Service</u>	
Steven Bird	Captain - Division Commander	27

Erin Sylvester	Officer	14	
Kevin Szmurlo	Officer	4	
Maranda Russell	Community Service Officer	5	

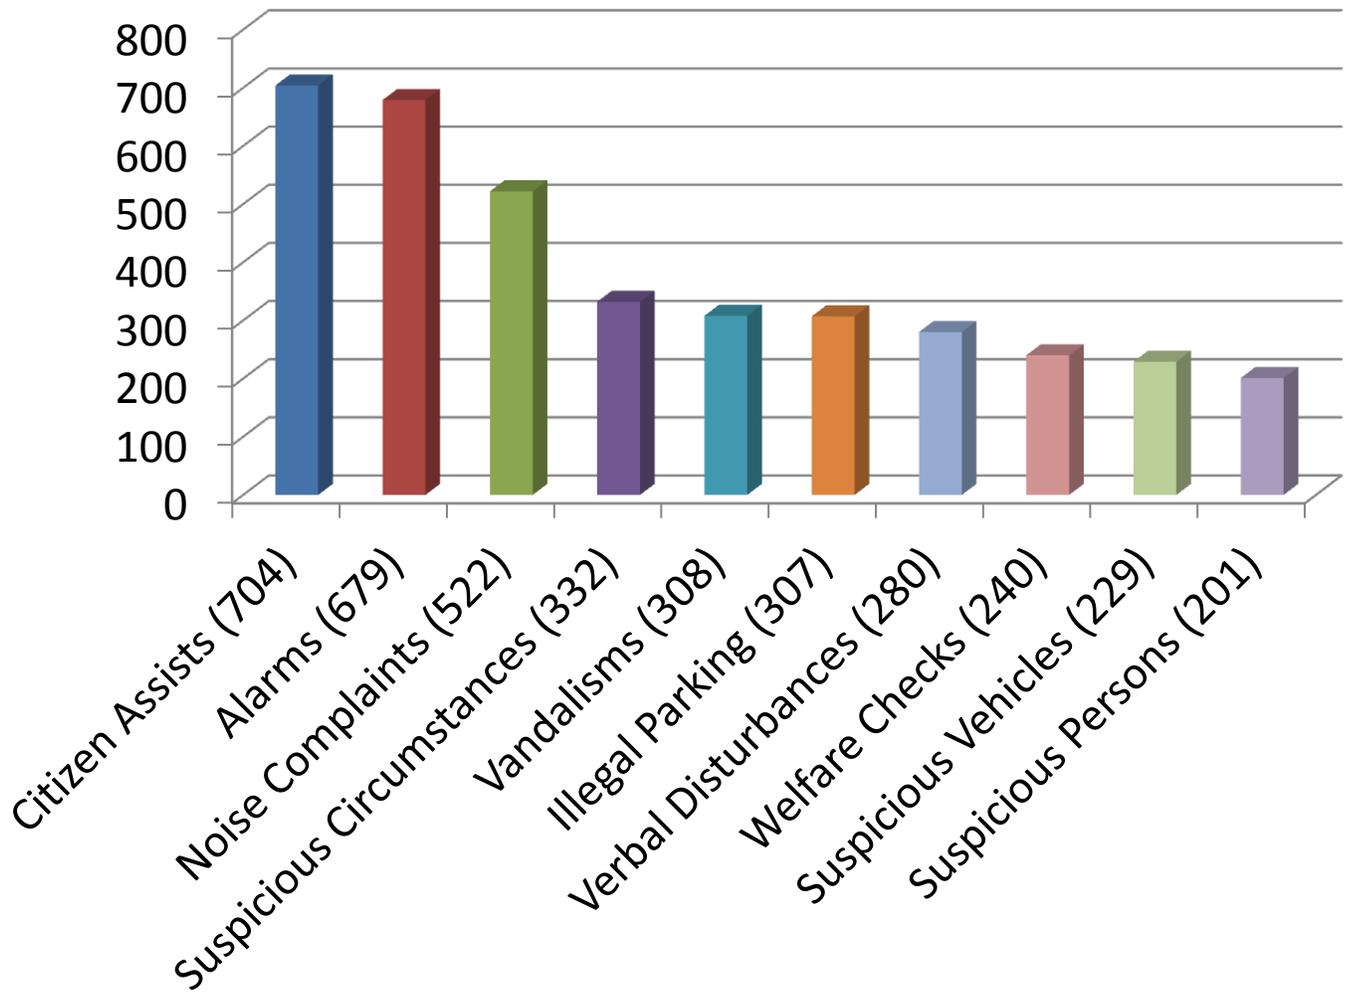

Field Operations Statistics

After seeing a 12% reduction in Part I Crimes in 2010, Dixon experienced an additional 26% reduction in 2011. The patrol division handled approximately 14,076 calls for service in 2011 as compared to 14,937 calls for service in 2010. These included calls to handle criminal investigations, traffic collisions, suspicious circumstances, burglary and robbery alarms at residential and commercial buildings, calls to assist allied agencies, lost children, and calls to assist citizens with civil matters. Personnel wrote 1,762 police reports and patrol officers made approximately 416 arrests in 2011.

The Dixon Police Department Field Operations Division continues to be proud of its response time to Priority 1 calls for service. Priority 1 calls typically relate to incidents in which there is an immediate threat to life, danger of serious physical injury, or danger of major property damage. Law enforcement agencies strive to have a response time of less than five or six minutes. For the past six years, and again in 2011, Dixon Police Officers averaged less than two and a half minutes in their response times to Priority 1 calls for service.

Top 10 Calls For Service

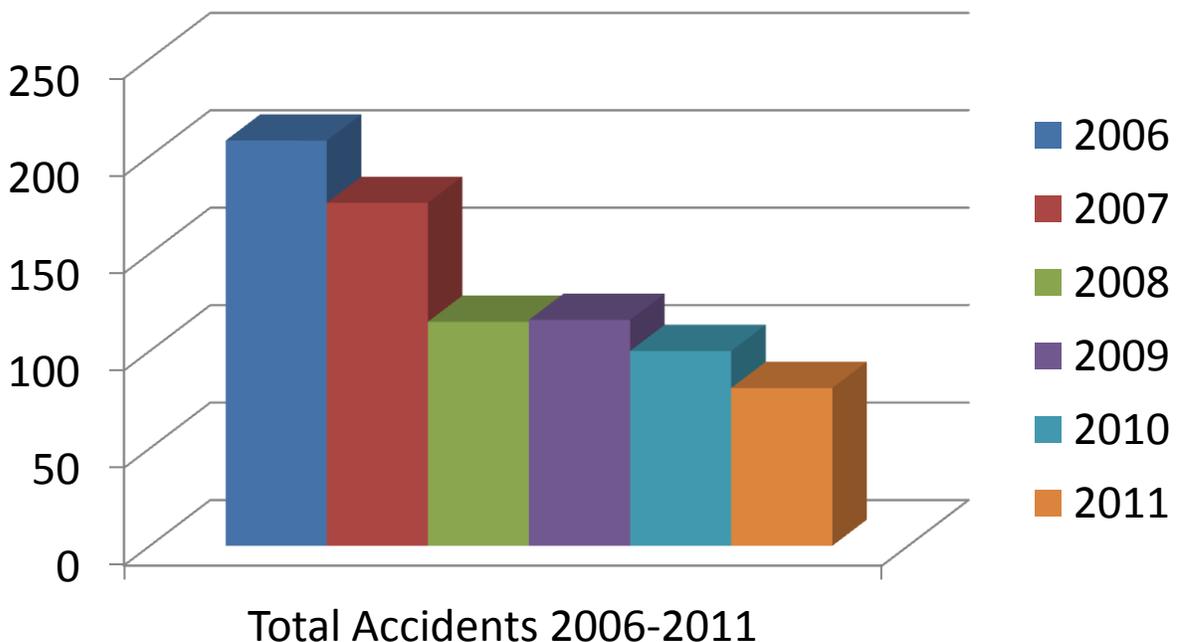

Traffic

The Dixon Police Department does not operate a specialized Traffic Unit. Instead, all officers have the responsibility of carrying out traffic enforcement duties including enforcement of vehicle code violations, driving under the influence enforcement and accident investigation.

In 2011, patrol personnel continued to provide additional traffic enforcement to all of the schools within the city. A monthly enforcement calendar was used listing the school and the specific day of the week in which additional enforcement was to be conducted by all available patrol staff.

In 2011, officers conducted 2,455 traffic stops and investigated 81 traffic accidents. This is a decrease in accident investigations from the 100 reported in 2010. There were no fatal traffic accidents in 2011. This is the lowest level of traffic collisions in over five years.

The department continued to participate in the countywide “Avoid the 10” Program. “Avoid the 10” refers to the 10 law enforcement agencies in Solano County. On pre-determined program dates, usually around a major holiday or event, all law enforcement departments emphasize the prevention and identification of drivers who are under the influence.

In 2011, patrol officers from the Dixon Police Department accomplished the following statistics related to traffic enforcement:

- Initiated 2,455 traffic enforcement stops.
- Issued approximately 628 citations for traffic violations.
- Arrested 124 drivers for driving under the influence of alcohol and/or drugs.
- Investigated 81 traffic accidents.

The Police Department also emphasizes traffic education. Some of the educational programs include:

- Deployment of the Department's radar trailer, which is placed into the community throughout the year.
- A rotating schedule related to the enforcement/education of parent drivers taking their children to school. Police officers and a community service officer are scheduled one day a week at each school in which they saturate the area and enforce both moving and parking violations. The goal of this enforcement is to educate drivers so our children are safe while walking to and from school.
- Use of a department form letter that is completed by school staff when a traffic violation is observed during a school day. School staff sends the form to the police department who then sends a letter to the owner of the vehicle advising of the observed violation and informs them they could be issued a citation if the violation continues.
- Focused enforcement for drivers who are operating their vehicle while under the influence of alcohol and/or drugs (DUI).

Community Service Officer

The Community Service Officer provides a critical link in our agency's delivery of service to the public. The CSO receives training in crime scene processing, finger printing, report writing, traffic control and crime prevention. The CSO is equipped to handle a large percentage of police calls for service including non-suspect police reports, abandoned vehicles, parking violations, vehicle tows, and minor traffic collision reports. This greatly improves the availability of our police officers to perform proactive functions and handle in-progress crime calls. The CSO patrols the city in a distinctively marked police vehicle, observes and reports criminal activity or suspicious conduct, and is available to assist the public.

In 2011, the CSO responded to over 540 calls for service and issued numerous abandoned vehicle-warning notices. These warning notices are placed on vehicles, boats, and trailers parked or abandoned on city streets. The Community Service Officer works with the citizens on these issues and this working relationship resulted in over 90% of the violations being corrected after the warning notice was issued.

The Community Service Officer was also assigned to assist in the department records section where the CSO assisted with the public counter, filing, data entry, and report processing. In addition, the CSO provided shift coverage for records staff when staff was assigned to training, on vacation, or on mandated furlough leave.

Sub-Beat Policing Philosophy

In 2011, the Dixon Police Department continued its sub-beat policing philosophy, outlining specific geographical areas in which a single police officer is assigned to act as a liaison between the sub-beat neighborhoods and the police department. When a particular officer is away from work or assigned to modified duty, adjoining sub-beat officers share in picking up that officer's sub-beat responsibilities.

Sub-beat policing is not designed to handle emergencies, crimes in progress, or any situation regarding an immediate police response. These issues are still handled through police dispatch and any available on duty police officer will be assigned these calls in a traditional "call for service" manner.

The police department often deals with non-criminal issues (i.e. civil matters) which do not require an immediate response from the department. Typically, these issues are not occurring at the time, or the public has general questions or concerns on how to handle a certain situation which may be an issue in their neighborhood. Examples of community issues that would be handled by the sub-beat officer include:

- Neighborhood disturbances such as barking dogs, loud noise, or continual parties at a particular residence.
- Abandoned vehicles, refuse, or other unhealthy situations that may be developing in a neighborhood.
- Suspected narcotic activity at a location, not occurring at the time reported.
- Questions regarding the Dixon City Code and possible violations.
- Any question or concern regarding the City of Dixon where the police department is a resource to assist in quality of life issues.

The goal of implementing the sub-beat system is to improve customer service and communication with the police department. The system allows the community an opportunity to know their assigned officer and allow police officers to become familiar with the residents and businesses in their sub-beat community in order to assist them with long-term problems. The community and the police work to develop customized responses to neighborhood problems and use these solutions to improve the quality of life in the neighborhood. The officer, in turn, becomes the technical expert of the assigned sub-beat. Although the officer is not always available, he/she is responsible for maintaining contacts within their assigned sub-beat.

Dixon residents and businesses can contact their assigned sub-beat officer at anytime either by telephone or through e-mail (phone 678-7075 and the listed extension).

Sub-beat One Jeff Jacques x223 jjacques@ci.dixon.ca.us

Southeast portion of town bordered by the following streets and intersections: South of East A Street, and East of South First Street (113). Beat includes City Hall, Hall Park, Mayfair Estates, Fairgrounds and the new Dixon High School.

Sub-beat Two Erin Sylvester x205 esyvester@ci.dixon.ca.us

Southern portion of town bordered by the following street and intersections: South of West A Street, West of South First Street (113), and West of Porter Road. Area includes the Police Department, Valley Glenn and Silveyville Cemetery.

Sub-beat Three Alberto Cruz x227 acruz@ci.dixon.ca.us

Downtown business district and surrounding neighborhoods bordered by the following streets and intersections: East of North Adams Street, South of West H Street, and North of West/East A Street. Area includes the old Dixon High School, Central Downtown District and the La Esperanza neighborhood.

Sub-beat Four Ronnie Sefried x225 rsefried@ci.dixon.ca.us
Central portion of town bordered by the following streets and intersections: east of North/South Almond Street, west of North Adams Street, south of West H Street, and north of Porter Road.

Sub-beat Five Pete Jimenez x211 pjimenez@ci.dixon.ca.us
Central portion of town bordered by the following streets and intersections: east of North First Street, north of West H Street, west of North Almond Street, south of Fountain Way. Beat includes the Newgate and Ellesmere areas.

Sub-beat Six Chris Rackley x204 crackley@ci.dixon.ca.us
North Central portion of town bordered by the following streets and intersections: north of West H Street, south of Stratford Avenue, east of North Almond Street and west of Pitt School Road. Area includes Northwest Park and Dixon Plaza.

Sub-beat Seven Kevin Szmurlo x221 kszmurlo@ci.dixon.ca.us
North residential portion of town bordered by the following streets and intersections: west of North First Street, east/south of Pitt School Road and I-80, south of Little Lane and Wiegand Way, north of Stratford Avenue, and east of Regency Pkwy from North Lincoln Street to Wiegand Way. Area includes Gretchen Higgins School.

Sub-beat Eight Nate Giovanetti x210 ngiovanetti@ci.dixon.ca.us
Central Residential portion of town bordered by the following streets and intersections: north of West A Street, east of Pitt School Road, and west of North Almond Street. Area includes Silveyville Elementary, CA Jacobs Middle School and surrounding residential neighborhoods.

Sub-beat Nine Mick Geisser x230 mgeisser@ci.dixon.ca.us
Western portion of town bordered by the following streets and intersections: south of I-80, north of West A Street, west of Pitt School Road, and east of Evans Road. Area includes the new Richmond American development, Patwin Park, and Tremont Elementary.

Sub-beat Ten Tom Martin (Retired)
Southwestern portion of town bordered by the following streets and intersections: west of South Almond Street and south of West A Street. Area includes future southwest development, and small commercial area west of Evans Road.

Sub-beat Eleven Ray Mince x207 rmince@ci.dixon.ca.us
Industrial and Commercial portion of town bordered by the following streets and intersections: north of East H Street, east of North First Street and south of Vaughn Road. Area includes Basalite, Gymboree, and other industrial buildings.

Sub-beat Twelve Jared Murray x228 jmurray@ci.dixon.ca.us
Industrial and Commercial portion of town bordered by the following streets and intersections: north of Vaughn Road and north of Wiegand Way. Area includes some residential and Wal-Mart.

Special Events

In 2011, Field Operations was responsible for the management of several special events that took place in the City and on the May Fair property. Operations personnel were responsible for the following issues related to special events:

- Review of permit applications
- Review of security, parking, and traffic plans
- Attend event planning meetings
- Scheduling of law enforcement personnel and tracking of associated costs
- Development of an Operations Order
- Review and approval of ABC permit if applicable
- Event security and traffic control

All of the special events held in 2011 were successful and police enforcement was limited to a small number of arrests with no major incidents or felony arrests. Some of the events included:

- Dixon May Fair
- Independence Day Celebration
- Renegade Motorcycle Show
- Grillin' & Chillin' Event
- Oktoberfest
- Wine Stroll
- Halloween
- Movies in the Park
- Downtown Tree Lighting Ceremony
- National Night Out

Significant cases and incidents

During the 2011 year, patrol officers handled numerous complex and serious case investigations. Some of these cases included:

February 21, 2011: Officers responded to an armed robbery at Discount Liquors. Officers coordinated their response to the scene, located the suspect fleeing the area, and detained him. The black plastic handgun used in the robbery and the stolen cash were recovered. The suspect was booked into the Solano County Jail.

March 9, 2011: Officers responded to an assault with a deadly weapon and vehicle theft. Four suspects were located and the victim identified them. The four suspects were booked into the Solano County Jail for assault with a deadly weapon and conspiracy charges. The stolen vehicle was recovered and a black plastic handgun was recovered as evidence when the suspects were taken into custody.

March 19, 2011: Officers responded to an assault with a firearm, which occurred in an apartment at the corner of Stratford Ave and Newgate Way. Officers determined a suspect fired numerous rounds inside the apartment during an argument with a roommate before fleeing the area. Officers maintained a close watch on the apartment and several hours later observed the suspect return. The suspect was taken into custody and two loaded firearms were located in his vehicle.

March 29, 2011: Officers responded to a report of graffiti to the sound wall off North Lincoln Street. Two suspects were identified and, through investigation, one of the suspects was found to have stolen the spray paint from Wal-Mart.

April 8, 2011: Based on several camera theft investigations, a suspect was identified and a search warrant was obtained. Thanks to the diligence of investigating officers, drugs were seized, a loaded firearm was taken from a convicted felon, and a child living in dangerous conditions was rescued from the home. Two suspects went to jail and prosecution of both is still in process.

April 24, 2011: An officer observed a reported stolen vehicle and tried to make a felony stop. The driver led two units on a pursuit into a neighboring jurisdiction where he was able to elude the units due to his erratic driving. Another agency located the vehicle and continued the pursuit until the vehicle crashed. The driver fled on foot, but was apprehended by Dixon Police Officers who were still in the area. The vehicle was occupied by two subjects who asked to be let out during the pursuit, but the driver refused. The driver was charged with auto theft, felony evading, DUI, possession of stolen property, resisting arrest, kidnapping, and child endangerment.

May 19, 2011: Due to ongoing graffiti issues in the city, officers were actively searching for potential vandals when three juveniles were observed vandalizing Dixon Montessori Charter School. All three juveniles were arrested for the offense. Later that same evening an officer received a call of an in progress vandalism occurring behind Round Table Pizza. Prior to arrival, all officers planned their approaches. Two suspects attempted to flee, but both were quickly taken into custody because of the coordinated efforts of the involved officers. This incident resulted in two arrests for vandalism. One of the suspects was known to have committed numerous vandalisms around the city.

July 22, 2011: An officer on surveillance for potential copper wire thefts observed a subject come out of the bushes near a sound wall. The officer contacted the subject as he was walking away. The subject was known to have committed vandalisms around the city. The officer located fresh graffiti on the sound wall. After further investigation it was determined a second subject had also been involved and had committed the

vandalism. The subject was located after a brief search and arrested. This arrest resulted in 90 days in jail for the responsible suspect and he was ordered to pay over \$3000.00 in fines.

August 3, 2011: Officers received information on a suspicious circumstance. A party told Officers his roommate purchased a handgun and wanted to be driven to Woodland. The party believed his roommate was upset over a failed narcotics transaction and wanted revenge on the other half. Officers worked together, contacted allied agencies and devised a plan to intervene before any potentially dangerous situations could occur. Officers made a traffic enforcement stop on the suspect's vehicle as it was leaving town. The suspect was detained and a search of the vehicle revealed a loaded weapon. The suspect was arrested for carrying a loaded, concealed firearm, and likely prevented a homicide.

August 21, 2011: An officer conducting a routine security check in the 800 block of North Adams St. viewed vandalism in progress. The suspect was spray painting gang graffiti on a fence behind a business in the area. The suspect was arrested for the offense. Efforts put forth by the night shift have helped curtail vandalism in the city, and has had a positive impact on the widespread problem.

September 30, 2011: Officers were dispatched to investigate a subject hiding in the bushes watching a 24 hr. mini mart. When officers arrived, the subject fled on foot while discarding gloves, a ski mask and a handgun. The officers worked together as a team and successfully cut off his escape route resulting in his capture. The subject was identified as a 17-year-old validated gang member who was on probation for a weapons violation. Due to the items possessed by the suspect and his location, it is believed he was awaiting an opportunity to commit an armed robbery of the business, but was interrupted by the officers arrival.

December 22, 2011: An officer conducting an area check for suspects involved in an earlier burglary observed a vehicle parked at the rear of a dark parking lot in the early morning hours. When he approached, he observed the occupants engaged in sexual intercourse. The officer discovered the male to be an adult while the female was only 14 years old. Further investigation revealed the male had contacted and arranged the meeting through Facebook and he had done the same with at least one other under age female.

December 28, 2011: The Dixon PD Narcotics Officer conducted a detailed investigation into reported narcotics activity in the 500 block of West H Street. A search warrant was served on the location. Narcotics were recovered during the warrant service and three people were arrested.

Other Activities and Accomplishments

A brief summary of some of our accomplishments in 2011 include:

COPS Hiring Recovery Program Grant Award: Throughout 2011, the department continued to manage the CHRP grant. This grant program is funded through the American Recovery and Reinvestment Act of 2009 and it provides funding directly to law enforcement agencies to hire or rehire career law enforcement officers in an effort to create and preserve jobs, and increase their community policing capability and crime prevention efforts. Through this grant award, a police officer position will be fully funded for a period of three years.

Patrol Rifle Training: Officers received Patrol Rifle Training. Officers attend a certified 16 hour, POST approved training course. Those officers who have successfully completed this training are now authorized to carry a patrol rifle while on-duty. In addition, the department developed a tracking and checkout procedure for each weapon.

Bicycle Safety Enforcement: A bicycle safety press release was developed and provided to the community. Officers increased enforcement and provided two weeks of verbal warnings prior to issuing citations. Special focus was placed on those riders under the age of 18 who were riding a bike without wearing a helmet, as well as violations in and around the community schools. Several warning citations were issued during the first two weeks. In addition to the enforcement increase, a bicycle safety rodeo was held at a local school.

Solano Emergency Communications Activities (SECA): Solano County Public Safety agencies, to include the Dixon Police Department, continued to work diligently on interoperability issues and meeting the demands of the Federal Communications Commission's (FCC) mandate that all public safety and industrial/business licensees operating in the wide band frequencies migrate to the narrow band channels by January 1, 2013. Some narrow band operations have already commenced in an effort to begin the changeover process by the deadline date. It is anticipated that the deadline will be met due to the cooperation and continued efforts of all of the involved Solano County agencies.

Police Support Services

Support Services is responsible for all major police investigations, records, evidence, training, youth resources, community service officers, jail operations, and support for all other police operations.

Support Services Section Personnel

<u>Name</u>	<u>Position</u>	<u>Years of Service</u>

Records

The Records Bureau is responsible for the processing of evidence, warrants, subpoenas, handling all correspondence, and the preparation of all police reports. This includes confidential research generated by departmental personnel, compiling departmental statistics, maintaining files, payroll, ordering supplies, front counter/customer service responsibilities, and a Parking Services Program.

REPORTS & CITATIONS PROCESSED 2006 - 2011						
	2006	2007	2008	2009	2010	2011
Police Reports	2,481	2,919	2,565	2,287	2,036	1,762
Traffic Citations	1405	961	1,405	2,155	1,260	628
Parking Citations	594	485	498	179	183	165
Total Processed	4,480	4,365	4,468	4,621	3,479	2,558

In 2011, the Records Division processed and filed 1,762 police reports, 628 traffic citations, and 165 parking citations in addition to processing warrants, subpoenas, and all other requests for information. The unit's staff for this period consisted of one administrative assistant, two records clerks, and two volunteers.

Temporary Holding Facility (THF)

The requirements from the Corrections Standards Authority (CSA) for the record keeping of persons processed and booked into the department THF have been properly maintained. All of the appropriate state audit forms have been completed and forwarded to the CSA as required. There were 217 adults processed at the facility during this period. There were 14 juveniles processed at the facility during this period. Four were logged as *secure* (held in secured area or secured to a fixed object) and ten were logged as *non-secure* (not held in a secured area or secured to a fixed object). The facility remains in compliance with all Title 15 & Health & Safety 17920.3 section requirements for the period.

Animal Control Services

Humane Animal Service (HAS) continues to provide contracted services to the City of Dixon. During 2011, there were approximately 644 calls for service, and 305 animals were recovered and/or taken to the shelter. HAS and the Dixon Police Department conducted three Dangerous Animal Hearings during 2011. The Services Division Commander has continued to participate as a SACA board member concerning future issues and on-going discussions in reference to the County Animal Shelter.

Youth Resource Program

The Dixon Police Department maintains one officer assigned as a Youth Resource Officer. The Youth Resource Officer works with the youth, parents, teachers, businesses, and the community as a whole to provide first time offenders, at-risk youth, and runaways in identifying problems and providing resources and solutions. The Youth Resource Officer program incorporates a multi-faceted strategy of enforcement, education, and counseling in hopes of reducing criminal activity on and around school campuses, reducing student suspensions for violent incidents, and contributing to the quality of a safe learning and teaching environment.

The Youth Resource Officer directs the Juvenile Diversion Program. The Diversion Program provides youths, who are first time offenders, with the opportunity to learn from their mistakes, work hard, and make better choices for their future. Youths who choose to participate in the Diversion Program sign contracts agreeing to various requirements such as performing or behaving better in school, performing community service, seeking counseling, or attending anger management classes. When a youth has successfully completed the Diversion Program requirements, his or her case is closed without criminal prosecution.

The Youth Resource Officer also works closely with the Alcohol, Tobacco and Other Drugs (ATOD) program coordinator to educate students and conduct buy stings for alcohol and tobacco at local businesses. In addition, the Youth Resource Officer participated in the following activities:

- Dixon High School Sober Grad Night
- Solano County Youth Summit
- Bicycle Safety Rodeo
- Principal for the day at Tremont Elementary School
- Anti-bullying presentations
- Career Days at Dixon High School, CA Jacobs, and Maine Prairie High
- Uniformed security at home football games at Dixon High School

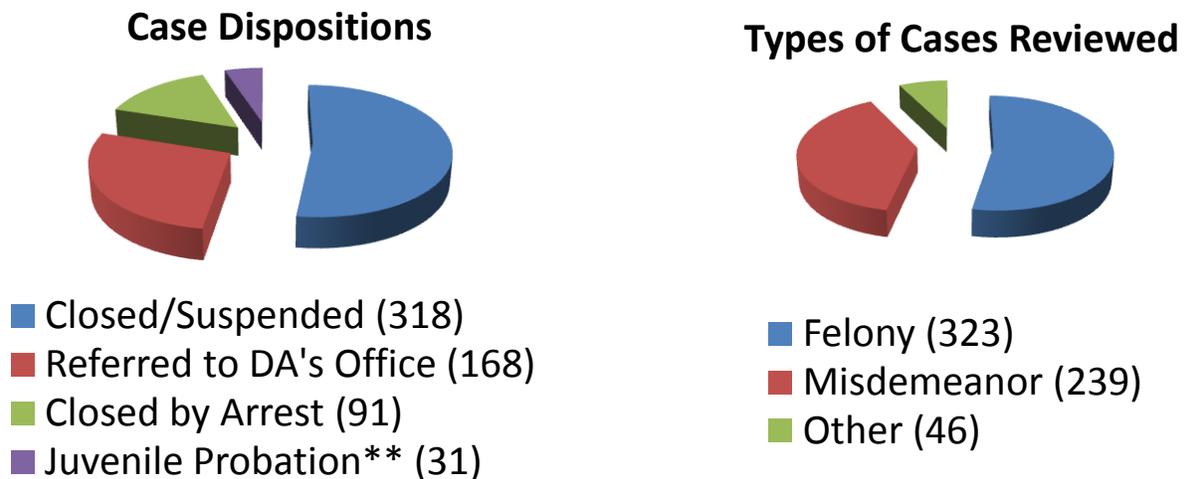

Investigations

The Investigations unit provides follow-up and investigative services for all serious criminal investigations undertaken by the Department. The unit is comprised of five staff members, which includes a Police Captain, a supervising Detective Sergeant, one general detective, one family crimes detective, and one narcotics detective. The narcotics detective is assigned to a countywide multi-jurisdictional team (Cal-MMET).

Reports referred to Investigations are primarily generated by patrol officers. However, many of the cases referred to the family crimes detective are Children's Welfare Services (CWS) reports received directly from CWS. The family crimes detective is then responsible for initiating a crime report, as well as conducting the necessary investigation.

Approximately 608 reports were reviewed by the Investigation unit from January 01, 2011 to December 31, 2011. The breakdown of the case types and dispositions is as follows:

**The reports referred to Juvenile Probation are sent to the Youth Resource Officer first to determine if the case will stay in-house for juvenile diversion or be referred to Juvenile Probation.

To facilitate community involvement and interaction with the department, Detectives, YRO, and Code Compliance Officers have assisted in several programs and attended numerous meetings and events to help and serve the community better. This included the following on a monthly or periodic basis:

- Solano County Investigators monthly meeting
- 290 PC sex registrant monthly meeting
- Dixon Family Services monthly meeting
- School Attendance Review Board (S.A.R.B.)
- Child Welfare Services (CWS) meeting
- Child Death Review meeting
- Family Violence Prevention meetings
- Multi-Disciplinary Interview Center (MDIC)
- Dixon Unified School District meetings
- Gang Awareness training for school officials

Significant cases and incidents

January 2011: Detectives investigated a large forgery and grand theft case in which the suspect stole checks from the victim and wrote over \$26,000 on the account. The suspect was identified and located by detectives. Further investigation resulted in the suspect being arrested for several felony charges to which she pled guilty.

February 2011: The Dixon Police Department received an anonymous letter stating a dead body was buried approximately 37 years ago in the back yard of a house in the 700 block of Walnut Park Avenue. A search of the property was conducted using cadaver dogs and numerous law enforcement personnel. After an extensive search, nothing of suspicion was located.

June 2011: Investigations assisted in the investigation of an armed robbery that occurred at Safeway. Two suspects approached the victim in the parking lot of the business and demanded his money. The victim refused and one of the suspects struck him in the face with a handgun. The suspect grabbed the victim's cellular phone and fled in a vehicle. The victim drove to the police department to report the crime and while doing so saw the suspect vehicle in front of him. The suspect's vehicle then pulled to the side of the road and as the victim drove by, one of the suspects shot at his car. Further investigation resulted in the identification of one the suspects. The case has been sent to the District Attorney's Office for review and request of charges to be filed.

August 2011: Investigation staff worked in partnership with County Probation and State Parole Officers to conduct several probation and parole searches throughout Dixon. Several subjects were arrested for parole or probation violations as well as new charges such as possession of narcotics.

The YRO conducted three Minor Decoy Operations and issued three citations for local businesses selling alcohol and/or cigarettes to minors.

Detectives conducted several crime suppression nights where they worked in the late evening in unmarked vehicles with the emphasis on contacting suspicious persons and vehicles.

Other Activities and Accomplishments

- Dixon Police Detectives worked with the Fairfield Police Department Gang Unit and developed in-house gang training for Dixon Police personnel. The training included the types of gangs in Solano County, the types of criminal activity they are involved in, how they dress and communicate, and how to identify and read their graffiti.
- During 2011, the YRO, Detectives, and Detective Sergeant were assigned to work patrol over 80 times when patrol was short staffed. This resulted in a substantial savings on overtime.
- A new procedure for checking case files out of the records division was implemented. This procedure outlines the process for when personnel need to remove case files from the records division and includes a tracking system for all case files.
- Records personnel conducted a purge of case files and citations. A purge of records had not been conducted in several years and storage space for records was almost non-existent. California law sets the

period of time in which a law enforcement agency must wait before destroying a record. Budget and storage concerns create a natural incentive to destroy or minimize records.

- New Digital/Narrowband Car Radios were purchased for the police department fleet. In 2004, the Federal Communications Commission (FCC) mandated all radio licensees using 25 kHz radio systems migrate to narrowband 12.5 kHz channels by January 1, 2013. The FCC mandated narrowband channels in an effort to allow additional channels to exist in the same spectrum of a frequency. Using narrowband channels ensures public safety communications users are able to take advantage of more efficient technology and, by reducing channel width, allow additional channels to be assigned. The majority of the Dixon Police Department's in-car mobile radios were not capable of meeting this narrowband requirement. In addition, most of the department radio equipment was over 20 years old and was no longer serviceable.
- Code Compliance restructured the department's participation in the Solano Transportation Authority Abandoned Vehicle Abatement Program. This included the approval of an extension in the Abandoned Vehicle Abatement Program through 2022. Vehicle registration fees are collected by DMV and allocated to the Solano Abandoned Vehicle Service Authority entities based on geographic area and percentage of vehicles abated during the prior year. This results in revenue of approximately \$6,000 per fiscal year for the City of Dixon.
- The family violence detective assisted the Solano County District Attorney's Office and other local law enforcement agencies by conducting interviews of child abuse victims as part of the Solano County Multi-Disciplinary Interview Center.

Narcotics Enforcement

Officers worked closely with the Dixon detective assigned to the Solano County Cal-MMET Task Force. The YRO also provided guidance and counseling to families with juvenile substance abuse problems. Narcotic investigations and arrests continue to be a high priority as our staff continues to coordinate and assist Cal-MMET Team staff on local operations and intelligence gathering/sharing.

A detective was assigned to the Solano County Cal-MMET Task Force. Over the year, investigations in the city of Dixon have produced arrests for possession of and for the sales of Methamphetamine. Dixon cases have also resulted in the arrests of individuals involved with upper level Marijuana and Ecstasy sales. These cases are investigated aggressively since these particular narcotics are usually targeted towards juveniles. The Task Force has also investigated and arrested several individuals involved with selling and transporting narcotics into Dixon from other cities within Solano County, as well as the surrounding counties. The Solano County Cal-MMET assigned detectives have closed over 56 narcotics cases in 2011.

They wrote 39 search warrants, executed 43 narcotics search warrants, and made 43 arrests during 2011. Detectives, along with Cal-MMET, conducted over 40 probation/parole searches, which resulted in seizing and removing 18 firearms off the street and placed 4 children into protective custody. The Cal-MMET Task Force has shut down three drug trafficking organizations cutting down the supply of narcotics into Dixon. Detectives, along with Cal-MMET, assisted other narcotics agencies regarding a narcotics nexus to Solano County 6 times, all resulting in arrests. Cal-MMET detectives seized approximately \$38,122.00 in asset forfeitures.

During 2011, Solano County Cal-MMET seized:

Methamphetamine "Ice"	3,244 grams (approx. 7 pounds)
Cocaine	1,179.5 grams (approx. 2.5 pounds)
Heroin	3 grams
Ecstasy	243 pills
Prescription pills	580 pills
Marijuana (processed)	7,555 grams (approx. 16.5 pounds)
Marijuana Plants	897 plants

Code Compliance

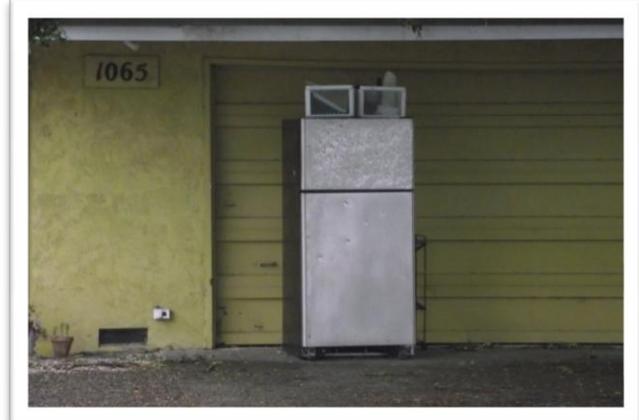

The mission of the Code Compliance Division of the Dixon Police Department is to educate the public on City Codes. With the cooperation of property owners, we can reduce the number of abandoned and inoperative vehicles, unsightly accumulation of debris, junk, and other defined nuisances. By enforcing the City's Municipal Codes, property values will rise, quality of life will increase, neighborhoods will become more beautiful, and the city will be a safer place to live.

It is the Code Compliance Officer's responsibility to inspect parcels of land, structures, vehicles, and the storage of materials to ensure proper conformance with the City of Dixon codes and regulations. The Code Compliance Division receives numerous complaints each year regarding properties that may contain a "nuisance". A "nuisance condition" means any condition or use of premises or property which is either: (i) detrimental to the premises or property of others; (ii) which poses an immediate or potential health, safety or fire hazard; or (iii) which violates the City code or other codes adopted by the City of Dixon.

If voluntary compliance is not reached, the Code Compliance Division may issue an Administrative Citation in the amount of:

- \$25.00 for a first offense.
- \$50.00 for a second offense.
- \$100.00 for a third or subsequent offense.

The Code Compliance Division investigates numerous complaints of home furniture and appliances stored in public view.

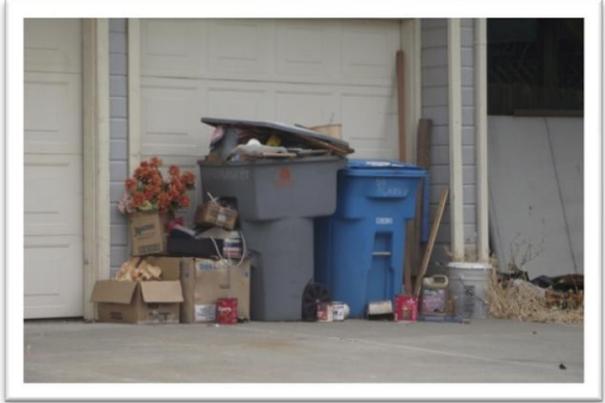

Inoperative vehicles and discarded vehicle parts are considered a nuisance. When referring to vehicles as inoperative, “inoperative” means any vehicle that: (1) cannot be immediately started and driven under its own power on the streets and highways, or (2) is in an unsafe condition, or (3) is in any other condition specified in the California Vehicle Code which prohibits its placement and/or movement on the public streets or highways. This includes any vehicles, trailers and/or vessels that are not currently registered for operation on the public streets, highways or waterways.

Parking violations on private property are commonly referred to the Code Compliance Division. Storing, parking, keeping, or maintaining vehicles, boats, vessels, trailers, or camper shells on any portion of a required front yard area other than the driveway or immediately adjacent paved driveway extension is considered a nuisance.

Storing, keeping or maintaining rubbish, refuse, trash, junk, garbage and or other waste discarded material, including but not limited to, the accumulation of asphalt, concrete, plaster, tile, rocks, bricks, crates, cartons, boxes, dirt, sand or gravel are considered code violations.

Graffiti Abatement

The existence of graffiti on any building, fence, wall, equipment, motor vehicle, trailer, sign, or other object on private or public property or in the public right-of-way is a violation of the Dixon Municipal Code. In 2011, the Code Compliance Division worked with the Youth Resource Officer and Public Works in creating a Graffiti Abatement Day which gave juveniles working off community service hours the opportunity to help remove graffiti from private and city property.

Weed Abatement

In 2011, the Code Compliance Division was responsible for enforcing the Weed Abatement Program. The program consists of first identifying affected parcels and then, by resolution, declaring any weeds, rubbish, and debris on the parcels as a hazard. Dry weeds on vacant properties pose a fire hazard when not abated. Out of the 201 parcels that received notices to abate weeds from their property, only two parcels did not comply and were abated by the city's independent contractor.

Community Action and Awareness Unit

The Community Action and Awareness Unit (CAAU) provides a positive contact between the Dixon Police Department and the community. The primary function of this unit is to establish community oriented programs as well as updating current programs. Additionally, attendance at various public events provides the community an opportunity to connect with members of the police department. Dixon Police Cadets provide assistance at public events, which establishes a sense of pride in the community they serve. The Cadet program promotes an opportunity to learn the basics of law enforcement, while learning about community service.

The CAAU participates in the following:

- Establishing Neighborhood Watch Programs
- Police Cadet Program Advisory
- ATOD (Participation in alcohol and tobacco stings)
- Liaison with Dixon Family Services
- S.A.R.B. (School Attendance Review Board)
- Y.A.N.A. (You Are Not Alone) Senior Program

February	Establish updated standards for Cadet Recruitment
March	Cadet Interviews First Five Readiness Conference (Kindergarten Registration) Preliminary May Fair Parade meeting
April	Easter Egg Hunt – Northwest Park Community Block Party
May	Sober Grad Night Assistance to local Veterans home coordinator Dixon May Fair booth
June	Police Department tour – Dixon Boy Scout troop Police Department tour – Montessori School
July	Senior Luncheon – Senior Center
August	National Night Out – 10 block parties Cadet news article
October	Halloween candy give-away at PD Senior Resource Fair Presentation CDC – Tremont School
November	Veterans Cemetery – Personal Safety Presentation Police Department Cub Scout Tour Presentation Personal Safety – North Second Street
December	Downtown Christmas Tree Lighting

Toys for Tots Program – Coat Drive

CITY OF DIXON CRIME STATISTICS

UNIFORM CRIME REPORTING

Every year the City of Dixon Police Department collects and disseminates the reported Part I and Part II Crimes that have occurred within the City of Dixon. This statistical data allows the Police Department a view of crime trends, criminal conduct and acts as a tool for crime analysis purposes. These statistics allow the Police Department to predict and plan, and they provide a perspective as to certain offenses and certain geographic areas in which criminal behavior occurs. Although statistics assist in identifying criminal conduct, they alone are not the sole determining factor for predicting the City's public safety needs. Crime is driven by many factors such as economic conditions, employment opportunities, shifts in demographics, population, resources, and fluctuations in law enforcement staffing.

This section contains statistics gathered under the guidelines for the FBI/DOJ's Uniform Crime Report (UCR) Program. UCR is a law enforcement program that provides a nationwide view of crime based on the submission of statistics by law enforcement agencies throughout the country. UCR divides crime into two groups, Part I and Part II offenses.

PART I CRIMES

A safer community is, and has always been, a priority for the City Council and the City of Dixon Police Department. After a 12% decline in Part I crimes in Dixon in 2010, there has been an additional decline of 26% in 2011. Part I crimes have declined in Dixon for over five years in a row.

PART I CRIMES Types of Offenses	2010	2011	Actual Change	Percentage Difference
Homicide	0	0	0	0%
Rape	9	4	-5	-56%
Robbery	17	8	-9	-53%
Assault (Aggravated)	26	20	-6	-23%
Burglary	66	75	9	14%
Larceny Theft	358	241	-117	-33%
Auto Theft	53	44	-9	-17%
Arson	7	2	-5	-71%
TOTALS	536	394	-142	-26%

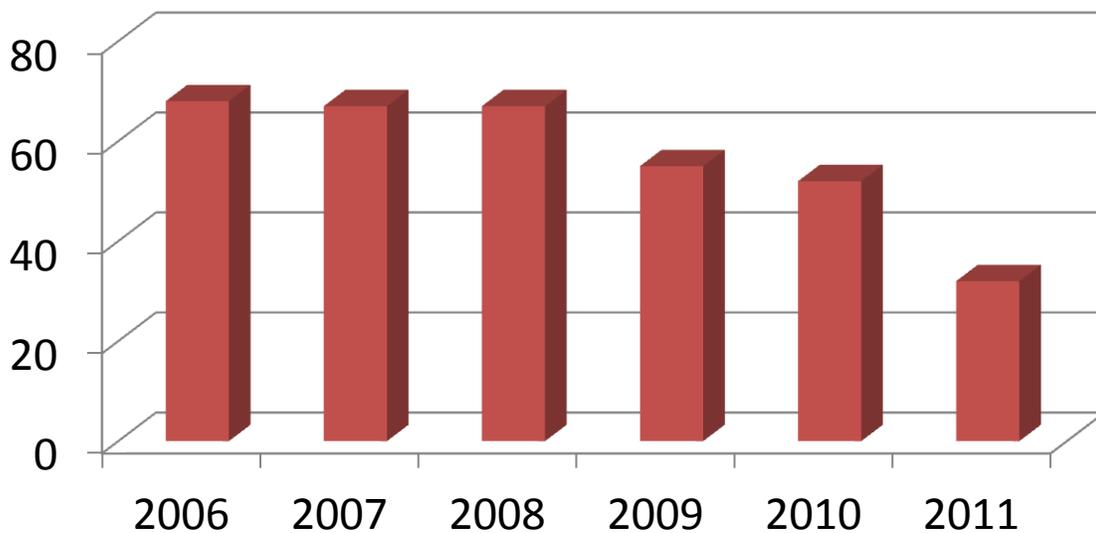

Crimes against Persons

Crimes against persons crime declined in 2011 with 32 violent crimes reported in the City of Dixon (52 in 2010). Crimes against persons are violent crimes involving the following:

- **Criminal Homicide** – Unlawful killing of a person.
- **Forcible Rape** – Assaults or attempts to commit rape by force or threats.
- **Robbery** – Taking or attempting to take valuables from the care, custody, or control of a person by force or threat of force or violence, and/or by putting the victim in fear.
- **Aggravated Assault** – An attack by a person upon another to inflict severe or aggravated bodily injury (with a weapon or by means likely to cause death or great bodily harm).

Total Part I Crimes Against Persons 2006-2011

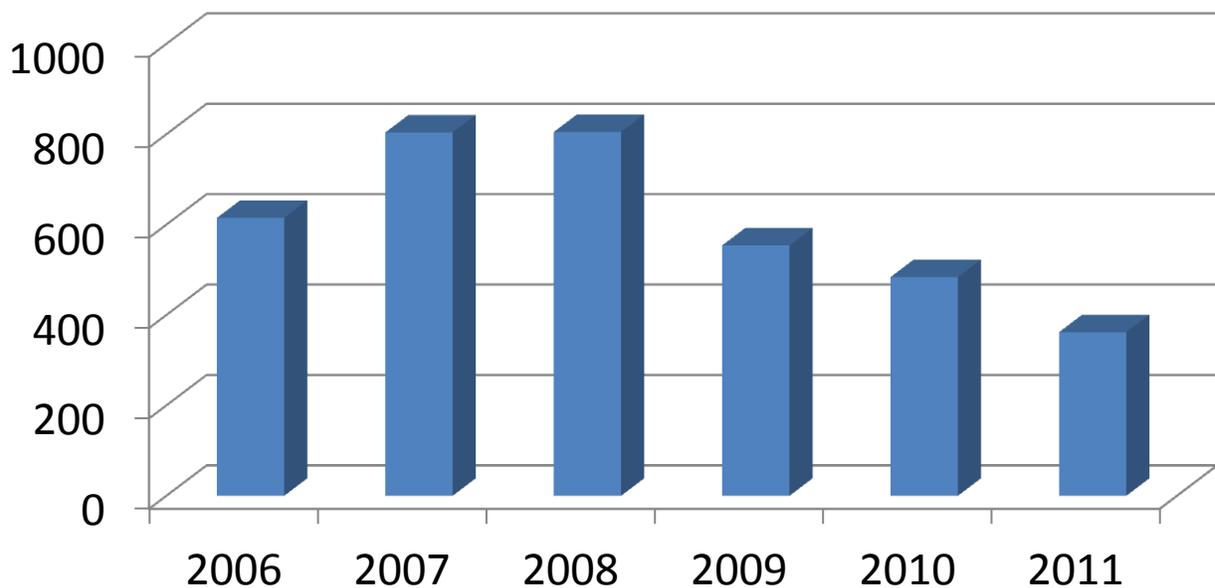

Crimes against Property

Property crime was down substantially for the second year in a row in 2011. In 2011, there were 362 property crimes reported in the City of Dixon (484 in 2010). Most significantly, the drop in property crimes includes a 33% decrease in larceny/theft cases. These types of crimes in Dixon are at their lowest level in over five years. Property crimes are the following crimes:

- **Burglary** – Unlawful entry or attempts to unlawfully enter a structure to commit a felony or theft.
- **Larceny, Theft** – Unlawful taking, carrying, leading, or riding away of property from another. Pick-pocketing, purse snatching, shoplifting, theft of motor vehicle parts or accessories, bicycles, thefts from buildings, coin operated machines, and all other larcenies are included.
- **Motor Vehicle Theft** – Theft or attempted theft of a motor vehicle.
- **Arson** – The willful or malicious act to attempt to burn, with or without intent to defraud, a house, public building, motor vehicle or aircraft, or personal property of another.

Total Part I Property Crimes 2006-2011

Crime Analysis

Historically, the causes and origins of crime have been the subject of investigations by many people. Some factors known to affect the volume and type of crime occurring are:

- Population density and degree of urbanization
- Variations in composition of the population, particularly youth concentration
- Stability of population including residents' mobility, commuting patterns, and transient factors
- Modes of transportation and highway systems
- Economic conditions, including median income, poverty level, and job availability
- Cultural factors, and educational, recreational, and religious characteristics
- Family conditions with respect to divorce and family cohesiveness
- Climate
- Effective strength of law enforcement agencies
- Administrative and investigative emphasis of law enforcement
- Policies of other parts of the criminal justice system (i.e. prosecutorial, judicial, correctional, probational)
- Citizen attitude toward crime
- Crime reporting practices of the citizenry

With regard to the City of Dixon, there is no one clear factor to the reported crime in 2011. We have seen changes in population, changes in business and growth, major changes in economics and an increase of traffic on the I-80 corridor, of which all may have an impact on our crime statistics.

The following chart is for comparison of Part I Crimes throughout Solano County in 2011.

2011 SOLANO COUNTY PART I OFFENSES

PART I CRIMES Types of Offenses	Solano S.O.	Benicia	Fairfield	Rio Vista	Suisun City	Vacaville	Vallejo	Dixon
Homicide	2	1	5	0	2	3	19	0
Rape	4	7	23	0	3	20	53	4

TOTALS	624	464	4,051	224	768	1,893	6,194	394

PART II CRIMES

Part II offenses encompass all other crime classifications. Simple (non-aggravated) assault is classified as a Part II offense.

➤ *Other Assaults-Simple, not Aggravated* – All assaults that do not involve the use of a firearm, knife, cutting instrument, or other dangerous weapon and in which there were no serious or aggravated injuries to the victim. Simple assault is not within the crime index. It is a Part II offense collected to look at the total assault violence.

PART II CRIME STATISTICS

PART II CRIMES Types of Offenses	2010	2011	Actual Change	Percent Change

* Definition of Calls for Service

Every call received by telephone or radio transmission and entered into the CAD System is a Call for Service.

A Call for service is a request for a response. The response may be a telephone call, a radio transmission, a counter visit, or a physical response by authorized law enforcement personnel, both sworn and non-sworn.
