A MESSAGE FROM THE CHIEF

2014 marked the 30th year that I have been serving in law enforcement, and the 5th year that I have served as your Chief of Police. I can honestly say that over all those years that 2014 was one of the most challenging times for law enforcement across our country. Certain very unfortunate events have shaken the relationship between some communities and their law enforcement agencies to the core. The resulting damage will take many years to mend. We are very fortunate here in Dixon the relationship between our police department and the community has been, and remains, a very positive one. Because of this relationship, I am confident together we will withstand the challenges our society is facing.

Your police department is a 24/7 operation with officers working days, nights, weekends, and holidays to make sure that there is a public safety response to a ny call for assistance, no matter what the time of day or night. We enjoy a community where it is a great place to raise a family with a high quality of life and a safe environment we all appreciate thanks to the dedicated efforts of our City staff. The mission of public safety is one we take very seriously. It is a never-ending job, with officers working around the clock to protect us all. They often have to make critical decisions with just a moment's notice, and they take that responsibility very seriously. The community we serve does not always understand the intensity of that responsibility. It is sometimes viewed as an officer acting defensively or "on guard", but keep in-mind that every time an officer responds to a call for service they are potentially putting their life on the line for you. Our police department enjoys a great relationship with the community, and I am pleased to say that in 2014 we did not receive any formal citizen's complaints about our personnel. I do however receive numerous compliments about the job our officers are doing out there.

Law enforcement can be a very hazardous occupation. Last year 121 officers paid the ultimate price and were killed in the line of duty in the United States. Some of these losses resulted in extensive national media coverage and public awareness, but many go virtually unnoticed except by the local community who suffered the loss. Since our Country began, over 20,000 men and women have given their life in the line of duty as a peace officer. Fortunately, the Dixon Police Department has not lost an officer in nearly 100 years when, on November 22, 1918, Constable Daniel McKinnon was shot and killed by an armed suspect. In 2014 we had an officer involved shooting where a suspect shot into our officer's vehicle numerous times and shocked our department and the community. All the involved staff handled this incident and the following investigation in a highly professional manner. We all feel so very fortunate no one was seriously hurt. We experienced a great deal of support and encouragement from the public following the shooting and sincerely appreciated it.

Effective partnerships throughout our community are a critical part of the formula in the fight against crime. Dixon is a place where people care about people and are willing to get involved to protect our way of life, especially in light of all the challenges happening in our country and even the world around us. Unfortunately, all communities have some level of criminal activity. The crime rate in Dixon is very low when compared to surrounding communities, and communities similar in size, but that should not give us a false sense of security. We must continue to maintain a hyper-vigilant outlook as we have found ways to reduce the impact of "realignment" under Assembly Bill 109, and must now do the same following the passage of Prop 47. This proposition reduced many felony crimes to misdemeanors. Convicted criminals who would have gone to prison will now only be sentenced to county jails, and in many cases will serve little or no time in custody at all. This poses a great challenge to law enforcement at a time where we are just recovering from reductions in our personnel and resources. Law enforcement agencies are working well together to address the issues of realignment and Prop 47, but the involvement of our community in this partnership will be critical to our success.

All of our goals for 2014 were met as a part of our strategic objectives. We continue to work on improving the security and safety of our schools through the training of Dixon Unified School District personnel, and police department personnel. As “body-worn” cameras are becoming a hot topic of discussion across the country, our officers are now into the second year of wearing them on their uniform to record their contacts in the performance of their duties. This has had a very positive outcome in obtaining valuable evidence in prosecuting criminal cases. This year we will be adding “dash” cameras to our patrol vehicles as well.

Our Graffiti Abatement Program continues thanks to a partnership with Kiwanis, and volunteers have been doing a great job abating graffiti around Dixon. Graffiti vandalism is very visible crime in our community and has a major financial impact on our business owners and taxpayers. The quick removal of graffiti from our city is a priority, and it will hopefully prevent more of it from occurring.

The Dixon PD is committed to investing in the future of our youth. We have partnered with the School District and many volunteers over the last 4 years to ensure the success of our Teen Center. The Dixon Teen Center has been providing a safe place for our teens to hang out, have fun, and build personal assets for success in life. The Teen Center is providing great tutoring and mentoring programs for our youth using a very modest budget thanks to our volunteers. The future of the Dixon Teen Center will depend on continued financial support and volunteers. It has had such a positive impact on many families in Dixon, and it is critical for us to continue this mission. If you are interested in serving as a volunteer or financially supporting this great program, please feel free to contact me at the Police Department at 678-7070.

Every year we handle an average of 16,600 calls for service, with a response time to critical calls in two and a half minutes or less. In 2014, we experienced a reduction in crime in some categories, and an increase in others. Part One Crimes had been on the decline in Dixon for some time, but has been increasing the last 2 years.

We continue to ask for your help in the fight against crime. As I have mentioned before, our officers cannot be everywhere at all times, so we need you to keep us informed when you see anything suspicious or out of the ordinary. If you do, please give dispatch a call at 678-7080 or in an emergency call 911. Your Police Department will face continued challenges this year and we will need your assistance more than ever to keep our community as safe as possible. I look forward to meeting this challenge with you and know that together we will succeed. Please continue to support your police department by being involved in your community, and being a good neighbor. We have many new officers at Dixon PD, and I encourage you to get to know them so that together we can continue to work towards keeping Dixon the great community that it is. Thank you for the opportunity to serve as your Police Chief, and have a very safe 2015.

At Your Service,

Jon E. Cox
Chief of Police
Dixon Police Department

ORGANIZATION AND OPERATIONAL COMPONENTS

The Dixon Police Department is responsible for the protection of life and property, the maintenance of order, the control and prevention of crime, and the enforcement of motor vehicle laws and regulations. The Chief of Police is the executive officer who oversees the bureaus of the Dixon Police Department.

Police Administration

- Coordination and Direction of the Police Department
- Recruitment and Employment, Background Investigations, Organizational Staffing, Administration and Personnel Management
- Employee Training
- Budgeting and Fiscal Management
- Strategic Planning
- Research & Development
- Internal Investigations
- Inspection & Operations
- Professional Standards – Policy & Procedure
- Administrative functions as directed by the City Manager and Council

Police Administration Section Personnel

<u>Name</u>	<u>Position</u>	<u>Years of Service</u>
Jon E. Cox	Chief of Police	31
Renee Protich	Administrative Assistant	10

Field Operations – Patrol

Lieutenant Tom Cordova – Operations Commander

The men and women of the Field Operations Division perform the most visible and recognized functions of the Dixon Police Department. They are the ones who you see responding to calls for service, on the street behind the wheel of a police car, looking for a lost child, comforting the victim of a crime, or arresting an intoxicated driver. The quality of life and low crime rate experienced in Dixon can be attributed to the high level of service provided by these individuals.

A summary of patrol duties include:

- Preventive patrol, security inspections, vacation house checks, field contacts
- Alarm responses and investigation
- Investigation and apprehension for crimes against persons and property
- Preservation of the public peace and order
- Traffic education, preventive traffic patrols, accident investigation, parking services
- Enforcement of traffic laws
- Maintenance of public order in connection with parades and special events
- Mutual Aid and Civil Defense Assistance
- Public and emergency services as they relate to assistance and rescue
- Missing Persons, lost and found property, and abandoned auto control
- Civil and Social Service Investigations
- First level rehabilitation treatment for juvenile offenders, both traffic and criminal
- Investigation of juvenile offenses

During 2014, patrol staffing was often reduced from four officers on-duty to three and sometimes two officers at any given time throughout the year. This was due to seasoned officers leaving to go to other law enforcement agencies, extended medical leaves, retirements, the time involved in hiring and training new officers, and a patrol officer being re-assigned to the investigations division.

With the loss of patrol staffing, officers' patrol shifts were frequently adjusted in order to reduce overtime and provide sufficient staffing levels for patrol. A shift adjustment consisted of either a change to the officer's assigned work hours or a change to the officer's assigned shift.

During 2014 the Dixon Police Department hired one Police Officer, promoted an Officer to Sergeant, and promoted a Sergeant to Lieutenant. Two Police Officers resigned during the year.

Field Operations Section Personnel

<u>Name</u>	<u>Position</u>	<u>Years of Experience</u>
Tom Cordova	Lieutenant	17
Ted Forsythe	Sergeant	21
Loren Ellefson	Sergeant	25
Brad Harms	Sergeant	22
Michael Tegeler	Sergeant	23
Nate Giovanetti	Sergeant	7
Ray Mince	Officer	23
Pete Jimenez	Officer	21
Joe Strickland	Officer	11
Alberto Cruz	Officer	8
Kevin Szmurlo	Officer	7
Chris Rackley	Officer	7
Jared Murray	Officer	7
Dustin Poore	Officer	11 (Resigned April 2014)
Glenn Cooper	Officer	20 (Reassigned to Investigations)
Daniela Melton	Officer	2
Michael Ferrando	Officer	2
Michael Austin	Officer	1
Will McCall	Officer	1 (Resigned March 2014)
Maranda Russell	Officer	1
Dustin Siebert	Officer	6

Altogether, personnel assigned to the Patrol Operations Division have over 243 years of law enforcement experience.

Field Operations Statistics

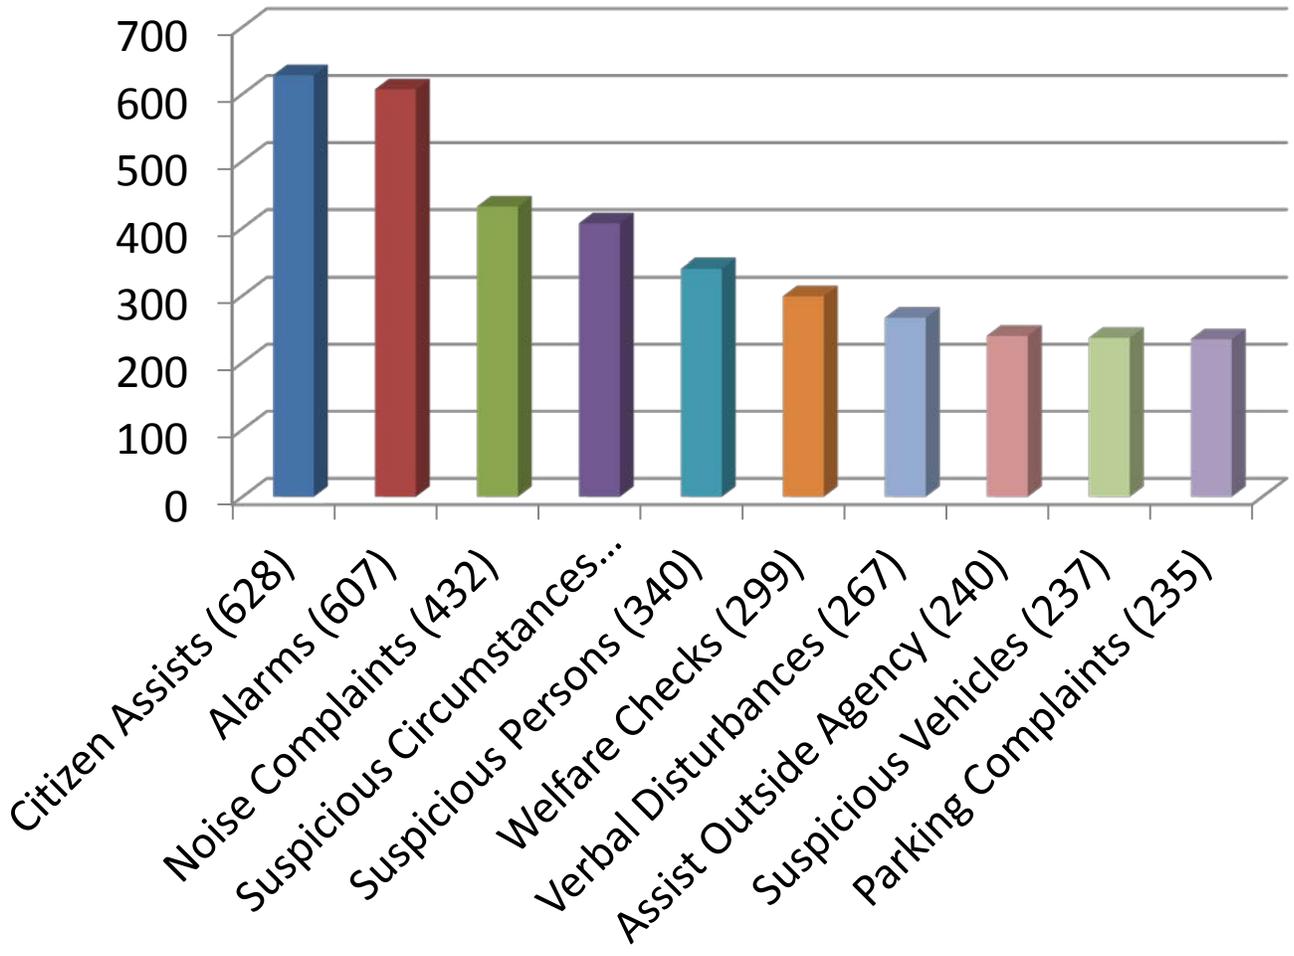

There was an increase of 8% in the overall number of Part I Crimes in 2014. The most serious Part I Crimes, crimes against persons, saw a 44% increase from 2013. 2013 had an unusually low number of reported robberies and most of the increase in crimes against persons came from the number of reports returning to a statistically average number of reports in 2014.

The patrol division handled approximately 17,021 calls for service in 2014 as compared to 15,049 calls for service in 2013. These included calls to handle criminal investigations, traffic collisions, suspicious circumstances, burglary and robbery alarms at residential and commercial buildings, calls to assist allied agencies, lost children, and calls to assist citizens with civil matters. Personnel wrote 2,019 police reports and patrol officers made approximately 523 arrests in 2014, an increase of 30% over 2013 arrests.

The Dixon Police Department Field Operations Division continues to be proud of its response time to Priority 1 calls for service. Priority 1 calls typically relate to incidents in which there is an immediate threat to life, danger of serious physical injury, or danger of major property damage. Law enforcement agencies strive to have a response time of less than five or six minutes to Priority 1 calls. In 2014, Dixon Police Officers averaged less than two and a half minutes in their response times to Priority 1 calls for service.

Top 10 Calls For Service

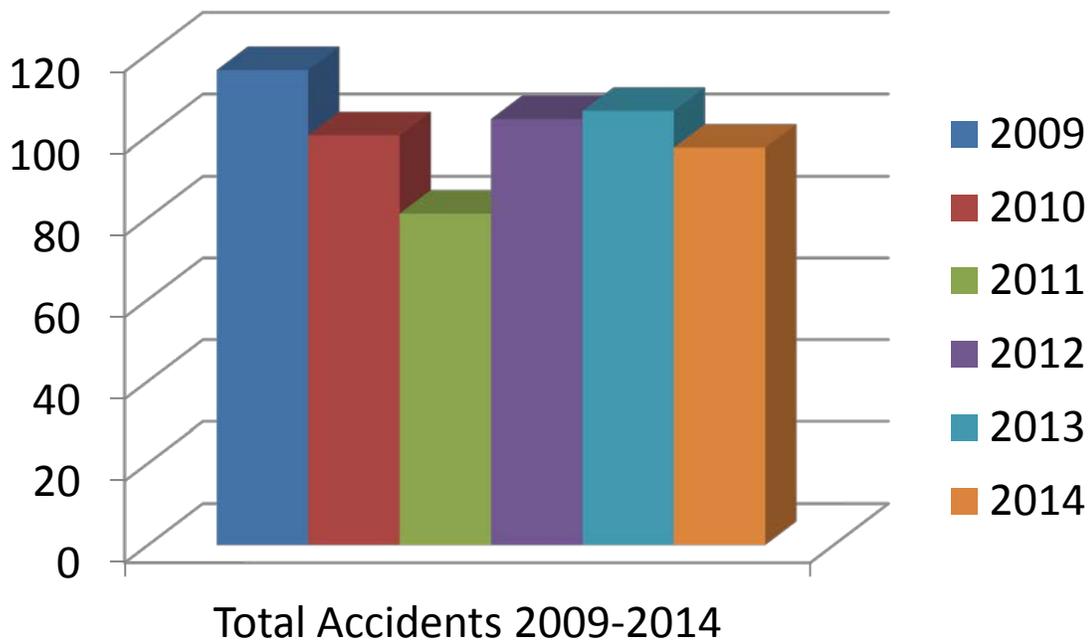

Traffic

The Dixon Police Department does not operate a specialized Traffic Unit. Instead, all officers have the responsibility of carrying out traffic enforcement duties including enforcement of vehicle code violations, driving under the influence enforcement, and collision investigations.

In 2014, patrol personnel continued to provide additional traffic enforcement to all of the schools within the city. A monthly enforcement calendar was used to schedule additional enforcement to be conducted by all available patrol staff at the schools.

In 2014, officers conducted 3,129 traffic stops and investigated 97 traffic accidents. There were no fatal traffic accidents in 2014.

The department continued to participate in the countywide “Avoid the 11” Program. “Avoid the 11” refers to the 11 law enforcement agencies in Solano County. On pre-determined program dates, often around a major holiday or local event, all law enforcement departments emphasize the prevention and identification of drivers who are under the influence.

In 2014, patrol officers from the Dixon Police Department accomplished the following statistics related to traffic enforcement:

- Initiated 3,129 traffic enforcement stops.
- Issued 591 citations for traffic violations.
- Arrested 63 drivers for driving under the influence of alcohol and/or drugs.
- Investigated 97 traffic accidents.

The Police Department also emphasizes traffic education. Some of the educational programs include:

- Deployment of the radar trailer into the community throughout the year.
- A rotating schedule related to the enforcement/education of parent drivers taking their children to school. Police officers are scheduled one day a week at each school in which they saturate the area and enforce both moving and parking violations. The goal of this enforcement is to educate drivers so our children are safe while walking to and from school.
- Use of a department form letter completed by school staff when a traffic violation is observed during a school day. School staff sends the form to the police department who then sends a letter to the owner of the vehicle advising of the observed violation and informs them they could be issued a citation if the violation continues.
- Focused enforcement for drivers who are operating their vehicle while under the influence of alcohol and/or drugs (DUI).

Community Service Officer

The Community Service Officer provides a link in our agency's delivery of service to the public. The CSO receives training in crime scene processing, finger printing, report writing, traffic control, and crime prevention. The CSO is equipped to handle a large percentage of police calls for service including non-suspect police reports, abandoned vehicles, parking violations, vehicle tows, and minor traffic collision reports. This greatly improves the availability of our police officers to perform proactive functions and handle in-progress crime calls. The CSO patrols the city in a distinctively marked police vehicle, observes and reports criminal activity or suspicious conduct, and is available to assist the public. In 2014, the CSO position was vacant due to the prior CSO being promoted to Police Officer and restructuring within the Department. At this time, CSO's are assigned to the Records Unit, Property and Evidence Unit, and Code Enforcement.

Sub-Beat Policing Philosophy

In 2014, the Dixon Police Department continued its sub-beat policing philosophy, outlining specific geographical areas in which a single police officer is assigned to act as a liaison between the sub-beat neighborhoods and the police department. When a particular officer is away from work or assigned to modified duty, adjoining sub-beat officers share in picking up that officer's sub-beat responsibilities.

Sub-beat policing is not designed to handle emergencies, crimes in progress, or any situation requiring an immediate police response. These issues are handled through police dispatch and any available on duty police officer will be assigned these calls in a traditional "call for service" manner.

The police department often deals with non-criminal issues (i.e. civil matters) which do not require an immediate response from the department. Typically, these issues are not occurring at the time, or the public has general questions or concerns on how to handle a certain situation, which may be an issue in their neighborhood. Examples of community issues that would be handled by the sub-beat officer include:

- Neighborhood disturbances such as barking dogs, loud noise, or continual parties at a particular residence.
- Abandoned vehicles, refuse, or other unhealthy situations that may be developing in a neighborhood.
- Suspected narcotics activity at a location, not occurring at the time reported.
- Any question or concern regarding the City of Dixon where the police department is a resource to assist in quality of life issues.

The goal of implementing the sub-beat system is to improve customer service and communication with the police department. The system allows the community an opportunity to know their assigned officer and allow police officers to become familiar with the residents and businesses in their sub-beat community in order to assist them with long-term problems. The community and the police work to develop customized responses to neighborhood problems and use these solutions to improve the quality of life in the neighborhood. The officer, in turn, becomes the technical expert of the assigned sub-beat. Although the officer is not always available, he/she is responsible for maintaining contacts within their assigned sub-beat.

Dixon residents and businesses can contact their assigned sub-beat officer at anytime either by telephone or through e-mail (phone 678-7075 and the listed extension).

Sub-beat One Vacant x

Southeast portion of town bordered by the following streets and intersections: south of East A Street, and east of South First Street (113). Beat includes City Hall, Hall Park, Mayfair Estates, Fairgrounds and the new Dixon High School.

Sub-beat Two Maranda Russell x203 mrussell@ci.dixon.ca.us

Southern portion of town bordered by the following street and intersections: south of West A Street, west of South First Street (113), and west of Porter Road. Area includes the Police Department, Valley Glenn and Silveyville Cemetery.

Sub-beat Three Alberto Cruz x227 acruz@ci.dixon.ca.us

Downtown business district and surrounding neighborhoods bordered by the following streets and intersections: east of North Adams Street, south of West H Street, and north of West/East A Street. Area includes the old Dixon High School, Central Downtown District and the La Esperanza neighborhood.

Sub-beat Four Joe Strickland x224 jstrickland@ci.dixon.ca.us
Central portion of town bordered by the following streets and intersections: east of North/South Almond Street, west of North Adams Street, south of West H Street, and north of Porter Road.

Sub-beat Five Vacant x
Central portion of town bordered by the following streets and intersections: east of North First Street, north of West H Street, west of North Almond Street, south of Fountain Way. Beat includes the Newgate and Ellesmere areas.

Sub-beat Six Chris Rackley x204 crackley@ci.dixon.ca.us
North Central portion of town bordered by the following streets and intersections: north of West H Street, south of Stratford Avenue, east of North Almond Street and west of Pitt School Road. Area includes Northwest Park and Dixon Plaza.

Sub-beat Seven Kevin Szmurlo x221 kszmurlo@ci.dixon.ca.us
North residential portion of town bordered by the following streets and intersections: west of North First Street, east/south of Pitt School Road and I-80, south of Little Lane and Wiegand Way, north of Stratford Avenue, and east of Regency Pkwy from North Lincoln Street to Wiegand Way. Area includes Gretchen Higgins School.

Sub-beat Eight Mike Austin x202 maustin@ci.dixon.ca.us
Central Residential portion of town bordered by the following streets and intersections: north of West A Street, east of Pitt School Road, and west of North Almond Street. Area includes Silveyville Elementary, CA Jacobs Middle School and surrounding residential neighborhoods.

Sub-beat Nine Daniela Melton x223 dmelton@ci.dixon.ca.us
Western portion of town bordered by the following streets and intersections: south of I-80, north of West A Street, west of Pitt School Road, and east of Evans Road. Area includes the new Richmond American development, Patwin Park, and Tremont Elementary.

Sub-beat Ten Vacant x
Southwestern portion of town bordered by the following streets and intersections: west of South Almond Street and south of West A Street. Area includes future southwest development, and small commercial area west of Evans Road.

Sub-beat Eleven Vacant x
Industrial and Commercial portion of town bordered by the following streets and intersections: north of East H Street, east of North First Street and south of Vaughn Road. Area includes Basalite, Gymboree, and other industrial buildings.

Sub-beat Twelve Jared Murray x228 jmurray@ci.dixon.ca.us
Industrial and Commercial portion of town bordered by the following streets and intersections: north of Vaughn Road and north of Wiegand Way. Area includes some residential and Wal-Mart.

Special Events

In 2014, Field Operations was responsible for the management of several special events that took place in the city and on the May Fair property. Operations personnel were responsible for the following issues related to special events:

- Review of permit applications
- Review of security, parking, and traffic plans
- Attend event planning meetings
- Scheduling of law enforcement personnel and tracking of associated costs
- Development of an Operations Order
- Review and approval of ABC permit if applicable
- Event security and traffic control

All of the special events held in 2014 were successful and police enforcement was limited to a small number of arrests with no major incidents or felony arrests. Some of the events included:

- Dixon May Fair
- Independence Day Celebration
- Renegade Motorcycle Show
- Grillin' & Chillin' Event
- Oktoberfest
- Wine Stroll
- Halloween
- Movies in the Park
- National Night Out
- Downtown Tree Lighting Ceremony

Significant cases and incidents

During the 2014 year, patrol officers handled numerous complex and serious case investigations. Some of these cases included:

January 17, 2014: While on routine patrol, Dixon Police Officers checked a suspicious vehicle in the CVS parking lot. A male subject was located in the vehicle. Upon further investigation, it was determined probable cause existed to arrest the subject for DUI and possession of a concealed firearm. The subject was arrested and booked into the Solano County Jail.

January 27, 2014: A woman chose to transport a WW II rocket from Vacaville to Sacramento in the back seat of her car. The rocket was part of her father's estate and she did not know what to do with it. Along the way, she called Sacramento Police Department to determine where to drop it off. She pulled over in Dixon where our officers responded. Yolo County Bomb Team responded to the scene, took possession of the rocket, and disposed it. It was later determined the rocket was not charged.

February 07, 2014: The Dixon Police Department responded to a traffic collision on South 1st Street and Country Fair. After the officers' investigation, the driver was arrested for DUI, Possession of Stolen Property, Vehicle Theft, Public Intoxication, Possession of Methamphetamine, Forgery, and Hit and Run. The subject was booked into Solano County Jail.

February 20, 2014: A patrol officer conducted a vehicle stop at Porter Road and Marvin Way that resulted in the arrest of a male subject from Rancho Cordova for Possession of Methamphetamine, two counts of Possession of Stolen Property, Possession of Drug Paraphernalia, and false tabs. It was determined the vehicle was involved in a \$40,000 burglary in Winters, CA.

March 9, 2014: A hit and run traffic collision occurred on Porter Road in which an elderly female was struck by a vehicle that fled the area. The victim was transported to the hospital with major injuries. She was in the hospital for a lengthy period. After an initial investigation, the male suspect turned himself into the Police Department where he was arrested for felony Hit and Run. He was transported and booked into the Solano County Jail.

April 4, 2014: Officer stopped a bicyclist for a vehicle code violation. During the stop it was determined the subject smelled like marijuana. The subject said he had marijuana in his possession. He was subsequently searched and 8.6 grams of methamphetamine was located, as well as a pipe used to smoke methamphetamine. The subject was arrested for possession of a Controlled Substance, Possession for Sales of a Controlled Substance, Transportation of a Controlled Substance, and Possession of Drug Paraphernalia. The subject was booked into Solano County Jail.

April 8, 2014: A patrol officer attempted to make a vehicle stop on Pembroke Way. The vehicle failed to stop and a pursuit ensued. The pursuit continued on to Midway Road and Meridian Road where it was called off. Minutes later a crash was reported at Midway Road and Paddon Road. Officers responded to the area and established a perimeter. Vacaville PD, CHP and Solano County Sheriff's Office assisted. A K-9 search resulted in the arrest of three adults for various crimes that included: Conspiracy, Possession of Stolen Property, Resisting a Police Officer, Evading Arrest, and warrants for drug and burglary related offenses. It was determined the vehicle was stolen.

April 10, 2014: A bicycle stop for a vehicle code violation resulted in the contact of male subject. The subject gave the patrol officer consent to search him and his bag. He was in possession of stolen

prescription medicine from a 2013 Dixon burglary. The subject was arrested and booked for Possession of Stolen Property, Possession of Controlled Substance, and Possession of Prescription Medicine.

May 18, 2014: Officers responded to the 900 block of North Adams Street for a report of a robbery that just occurred. Upon officers arrival it was determined the victim had walked up on his vehicle being burglarized by the suspect, surprising the suspect. The suspect hit the victim in the head with a golf club and robbed him of his wallet and other personal items. The suspect ran from the area. Officers apprehended the suspect on Newgate Way. He was arrested for Robbery, Assault with a Deadly Weapon, Burglary, and Possession of Stolen Property. He was booked into the county jail.

July 21, 2014: A Patrol Officer contacted a suspicious person in the apartment complex on Heritage Lane. The male subject was from Fairfield. The officer recognized the subject as being the suspect in a Davis burglary that occurred earlier in the day, in which a Ford F250 was stolen and used as a getaway vehicle. The subject was in possession of the stolen vehicle. The subject was arrested for possession of stolen property and violation of PRCS conditions.

September 08, 2014: A victim of domestic violence that had just occurred waved Patrol officers down, along Ary Lane. The victim and suspect lived together and had a child together. In this incident, the suspect tore-off the victim's fingernail. When officers contacted the suspect, he was not cooperative. He resisted arrest and punched an officer multiple times. He was taken into custody and arrested for Domestic Violence, Torture, Battery on a Police Officer, and Resisting Arrest. He was booked into the county jail.

October 8, 2014: Attempted homicide of a Dixon Police Officer occurred in Hall Park. A juvenile fired numerous gunshots at the officer. The juvenile was captured minutes later. He was medically checked before he was booked into the Solano County Juvenile Hall for Attempted Murder.

November 6, 2014: A check of a suspicious vehicle on Bounds Drive resulted in the arrest of a male subject from Willits, CA for possessing 33 pounds of marijuana with a street value of \$12,000. The subject was arrested for Possession of Concentrated Cannabis, Possession of Marijuana More than an Ounce, Plant and Cultivation of Marijuana, Possession of Marijuana for Sale, Transportation of Marijuana for Sale, Possession of Controlled Substance, and Manufacturing of Controlled Substance. The subject was booked into the county jail. His vehicle was stored.

November 15, 2014: Patrol Officer stopped a vehicle on West A Street at Pitt School Road for a vehicle code violation. The driver was unlicensed. The driver gave the officer consent to search the vehicle. A bag was located in the vehicle and it contained Hash or Concentrated Cannabis. It contained several plastic containers with similar amounts of Hash. The subject was arrested and indicated the bag belonged to his friend. Later in the morning, the subject's friend came to the police department and reported the bag belonged to him. He was able to give details of the bag and its content. The second subject was arrested for Possession of Marijuana for Sales.

December 13, 2014: A male subject was contacted on the roof of the Montessori School on North Almond Street. He was in the process of texting and trying to reach his ex-girlfriend, who was scared and staying at a nearby friend's house. The male subject was subsequently arrested for Stalking, Violating a Domestic Violence Restraining Order, Possession of Drug Paraphernalia, and Possession of Methamphetamine. He was booked into the county jail.

Other Activities and Accomplishments

A brief summary of other activities in 2014 include:

Participation in the Solano County Regional SWAT Team and Hostage Negotiation Team:

The Dixon Police Department has two officers assigned to the Solano County Sheriff's Office Regional SWAT Team. SWAT officers train a minimum of twelve times a year, focusing on skill sets, which include lethal and less lethal weapons training, hostage rescue, dealing with barricaded subjects, and high-risk vehicle stops. The City of Dixon benefits from having these highly trained SWAT officers on patrol on a daily basis. These officers bring specialized training to critical incidents within the city. They also provide training for other Dixon officers. In addition to training, Dixon officers and the public now have access to state of the art equipment, such as a Lenco Bear rescue vehicle and remote control robots, when needed.

During the past year, Dixon also added two officers to the Solano County Hostage Negotiations Team, which works in conjunction with Solano County SWAT during critical incidents.

In 2014, the Solano SWAT Team was used during a multi jurisdictional narcotics operation, which included three targets in the Dixon area. During this operation over a pound of methamphetamine and a firearm was recovered. Dixon officers assigned to SWAT provide access to a valuable resource that stands ready in times of crisis.

AVOID DUI Campaign for Solano County: In 2014, the Dixon Police Department continued to participate in the AVOID DUI Campaign. The grant was administered by Vallejo Police Department and most law enforcement agencies within Solano County participated. The State of California Office of Traffic Safety funded the program. The goal of the program was to reduce alcohol-related fatalities and injuries and raise general public awareness regarding problems associated with drinking and driving. The primary duties of the police officers were to staff checkpoints, perform DUI saturation patrols, and perform warrant service operations.

Assigned Two Officers as Terrorist Liaison Officers: In 2014, Sergeant Tegeler and Officer Rackley joined forces with the Sacramento Regional Threat Assessment Center and the Solano County Sheriff's Office-Office of Emergency Service in becoming Terrorist Liaison Officers (TLO). The primary responsibility of a TLO is to assist in the gathering and dissemination of information related to criminal and terrorist behavior. Sergeant Tegeler and Officer Rackley attended monthly briefings held at the Sheriff's Office, along with other local and federal law enforcement agencies. They were updated on suspicious activity locally and nationally and ensured the information was passed on to Dixon PD staff.

Alcohol Tobacco and other Drugs Grant (ATOD): In 2014, Dixon Police Department participated in the ATOD grant. The grant was a contract between the City of Dixon and Solano County Health and Social Services in which Dixon Police Department agreed to provide prevention activities aimed at reducing the use of alcohol, tobacco, and other drugs among youth. Some of the activities included conducting underage decoy compliance checks of retail stores that sold tobacco and alcohol products, participate in a DUI Court Trial at Dixon High School, participate in community mobilization training, coordinate Dixon ATOD City Team Meetings, drug presentations at local schools, and provide Social Host Ordinance Training at local schools.

Police Support Services

Lieutenant Ron Willingmyre

Police Support Services is responsible for all major police investigations, records, evidence, youth resources, code compliance, community action and awareness unit, jail operations, and support for all other police operations.

Support Services Section Personnel

<u>Name</u>	<u>Position</u>	<u>Years of Service</u>

Records

The Records Division, for this period, consisted of one Lieutenant, one Administrative Assistant, one Community Service Officer II, and one Records Clerk. They handled a wide variety of assignments from processing reports, warrants and subpoenas to handling incoming correspondence, public records requests and alarm permits. All of this information is compiled, controlled, and maintained by staff in this division.

REPORTS & CITATIONS PROCESSED 2009 - 2014						
	2009	2010	2011	2012	2013	2014
Police Reports	2,287	2,036	1,762	1,681	1,838	2,019
Traffic Citations	2,155	1,260	628	383	668	591
Parking Citations	179	183	165	69	123	68
Total Processed	4,621	3,479	2,558	2,133	2,629	2,678

Completed reports and citations are submitted to the Records Division for processing. In 2014, the Records Division processed 2,019 police reports, 591 traffic citations, and 68 parking citations; an increase of 2% over 2013. This process includes reviewing for accuracy and completeness as well as distribution to the appropriate divisions within the city, to the courts, to other agencies, or to other requesting parties.

The Records Division maintained a high level of efficiency for distributing reports and a high level of security for maintaining this information. Records staff continues to ensure that we are providing the necessary information to the proper parties through training and research. In addition, they have worked with surrounding agencies to streamline the work and minimize duplication of efforts. Additional measures were made to control and protect the reports within the Division.

During normal business hours, the public usually contacts the Records Division first. The Dixon Police Department lobby is open to the public Monday through Friday from 9 am to 5 pm except holidays. Records staff assists with issues such as requesting an officer to file a criminal report, obtaining a copy of a report that has been filed, purchasing a permit for a garage sale, or applying for a permit for a special event. They take great pride in providing exceptional customer service.

Temporary Holding Facility (THF)

The requirements from the Corrections Standards Authority (CSA) for the operation, physical condition, and record keeping of persons processed and booked into the department's temporary holding facility have been met. All of the appropriate forms pertaining to the secure and non-secure detention of minors have been completed and forwarded to the Board of State and Community Corrections (BSCC) as required. There were thirteen juveniles processed at the facility during this period. Seven were logged as non-secured and six as secured (held in a secured area or secured to a fixed object). The facility remains in compliance with Title 15 & Health & Safety 17920.3 section requirements.

Animal Control Services

Humane Animal Service (HAS) continues to provide contracted services to the City of Dixon. During 2014 HAS responded to 582 calls for service in Dixon, 199 animals were recovered and/or taken to the shelter. Dixon Police Department conducted two Dangerous Animal Hearings during 2014. The Division Commanders continued to participate at SACA board member meetings concerning future issues and on-going discussions in reference to the County Animal Shelter.

Youth Resource Program

The Youth Resource Officer (YRO) works with the youth, parents, teachers, businesses, and the community as a whole to provide a resource for first time offenders, at-risk youth, and runaways to identify problems and provide resources and solutions. The YRO program incorporates a multi-faceted strategy of enforcement, education, and counseling in hopes of reducing criminal activity on and around school campuses. By facilitating many community assemblies, the YRO educates students, parents, and school staff of the dangers and effects of narcotics use, gang involvement, and federal, state, and local laws. These strategies and educational opportunities assist in reducing student suspensions for violent incidents, and contribute to the quality of a safe learning and teaching environment.

The Youth Resource Officer oversees the Juvenile Diversion Program. The Diversion Program provides youths, who are first time offenders, with the opportunity to learn from their mistakes, work hard, and make better choices for their future. Youths who qualify and choose to participate in the Diversion Program sign contracts agreeing to perform various requirements such as performing or behaving better in school, performing community service, seeking counseling, or attending anger management classes. When a youth has successfully completed the Diversion Program requirements, his or her case is closed without criminal prosecution.

In addition, the YRO coordinates portions of the Alcohol, Tobacco and Other Drugs (ATOD) program. This program is designed to educate students, staff, and community members regarding the current alcohol, tobacco, and other drugs events occurring in and around the City of Dixon and the County of Solano. The YRO and community youth conduct buy stings for alcohol and tobacco at local retail establishments, as well as informational surveys for enforcement of state and local regulations.

Along with the ATOD program, the YRO collaborates with the Solano Transportation Authority to bring Safe Routes to School (SR2S) programs to Dixon schools. The partnership affords students and parents the option to participate in school bicycle rodeos, educational roadway assemblies, and walking school bus routes. The SR2S program also encourages proactive enforcement of traffic violations around schools and overall improvement of foot and vehicle ingress and egress during school hours.

Working with other Police personnel, the YRO engages in numerous community activities including National Night Out Block Parties, Dixon Family Services 20th Annual Community Party, all high school hosting sports games, dances, and student events, and school district training courses.

Due to staffing this position has been vacant since February 2014.

Investigations

The Investigations unit provides follow-up and investigative services for all serious criminal investigations undertaken by the Department. The unit is currently comprised of four staff members, which includes a Lieutenant, a general detective, a family crimes detective, and a youth resource officer (currently vacant).

Investigations Statistics

Patrol officers primarily generate reports referred to the Investigations Unit. However, many of the cases referred to the Family Crimes Detective originate with Children's Welfare Services (CWS). The Family Crimes Detective is then responsible to initiate a crime report, as well as conduct any necessary investigation.

Detectives and the Youth Resource Officer were assigned approximately 196 cases to investigate during 2014. The cases were primarily felony offenses, Due to unavailability of leads, no witnesses, lack of evidence, and limited solvability, 30 cases were suspended. 126 cases were closed by arrest or the case being forwarded to the District Attorney's Office for prosecution. Due to ongoing investigations, evidence processing, and report processing, the statistics for the Investigations Division are approximate.

In addition to their daily assigned duties, Detectives and the Youth Resource Officer make numerous citizen contacts every day throughout the City of Dixon. Officers routinely take extra time to listen, give advice, and educate citizens they contact. To maximize community partnerships and continue facilitating community involvement and interaction with the department, Detectives and the Youth Resource Officer have assisted in several programs and attended numerous meetings and events to help and serve the community better. These included the following:

- Solano County Investigations Supervisors Meeting
- 290 PC Sex Registrant Quarterly Meeting
- Solano County Gang Meetings
- Meetings with Dixon Family Services
- Participation in School Attendance Review Board Meetings
- Work with Child Welfare Services on a Regular Basis
- Work with Solano County Coroner's Office
- Participate in Career Days at Various Dixon Schools
- Participate in Expulsion and Suspension Hearings at Dixon Schools
- Present at Dixon Parent Teacher Organizations Meetings
- Work with the Multi-Disciplinary Interview Center at the District Attorney's Office
- Manage the Alcohol Tobacco and Other Drugs Grant

Narcotics Enforcement

During 2014 members of the Investigations Unit made arrests for drug violations that included possession of concentrated cannabis, possession of marijuana, and possession of cocaine.

Significant cases and incidents

April 2, 2014: Dixon Police Department received information of drug activity. A detective in an unmarked vehicle responded to the area of Alderglen Drive and parked in the area of the activity. The detective observed a hand-to-hand sale of narcotics. With the assistance of patrol officers, a female juvenile was arrested for Possession of a Controlled Substance (Vicodin) and for Sales of a Controlled Substance. An adult male was arrested for Possession of Controlled Substance. The juvenile was arrested, cited, and released to parents. The adult was arrested and booked into the county jail.

October 08, 2014: Officer's from the Dixon Police Department responded to Hall Park in regards to a report of a juvenile with a gun. Upon Officer's arrival, the juvenile was located. When an Officer stopped his patrol vehicle in order to contact him, the juvenile pulled out a handgun that he had been concealing and opened fire on the vehicle that the officer was driving and then fled on foot. The Officer gave chase on foot through Hall Park. Other responding officers stopped the juvenile near the Dixon Public pool and he was taken into custody without incident. The juvenile was booked into Juvenile Hall for attempted murder and the court case is still awaiting trial.

Other Activities and Accomplishments

- During 2014, the city of Dixon averaged 20 active registered sex offenders. Detectives actively monitored registrants through routine registrations and actively conducting compliance checks.
- During the year, detectives frequently participated in parole, probation, and Post Release Community Supervision sweeps in the City and with outside agencies throughout Solano County. Arrests were made for violations of probation and parole, possession of controlled substance, possession weapons, and outstanding warrants
- The investigations Unit attended training in the following subject matters: Child Sexual Assault Investigation/MDT Response, Advance Forensic Interviewing, and Search Warrant Fundamentals.

Code Compliance

Code Compliance Mission Statement

The mission of the Dixon Police Department - Code Compliance Division is to educate the public on City Municipal Codes. With the cooperation of property owners, we can reduce the number of abandoned and inoperative vehicles, unsightly accumulation of debris, junk and other defined nuisances. By enforcing the City's Municipal Codes; property values will rise, quality of life will increase, neighborhoods will become more beautiful, and the City will be a safer place to live.

Code Compliance Responsibilities

It is the Code Compliance Officer's responsibility to inspect parcels of land, structures, vehicles, and the storage of materials to ensure proper conformance with the City of Dixon codes and regulations. The Code Compliance Division receives numerous complaints each year regarding properties that may contain a "nuisance". A "nuisance condition" means any condition or use of premises or property which is either: (i) detrimental to the premises or property of others; (ii) which poses an immediate or potential health, safety or fire hazard; or (iii) which violates the City code or other codes adopted by the City of Dixon.

If voluntary compliance is not reached, the Code Compliance Division may issue an Administrative Citation for:

- \$25.00 for a first offense.
- \$50.00 for a second offense.
- \$100.00 for a third or subsequent offense.

The Code Compliance Division investigates numerous complaints of home furniture and appliances stored in public view.

Inoperative vehicles and discarded vehicle parts are considered a nuisance. When referring to vehicles as inoperative, "inoperative" means any vehicle that: (1) cannot be immediately started and driven under its own power on the streets and highways, or (2) is in an unsafe condition, or (3) is in any other condition specified in the California Vehicle Code which prohibits its placement and/or movement on the public streets or highways. This includes any vehicles, trailers and/or vessels that are not currently registered for operation on the public streets, highways or waterways.

Parking violations on private property are commonly referred to the Code Compliance Division. Storing, parking, keeping, or maintaining of vehicles, boats, vessels, trailers or camper shells on any portion of a required front yard area other than the driveway or immediately adjacent paved driveway extension is considered a nuisance.

Storing, keeping or maintaining weeds, dry or dead vegetation, papers or paper products, and other combustible and noncombustible refuse or waste on private property are considered code violations.

BEFORE:

AFTER:

Storing, keeping or maintaining rubbish, refuse, trash, junk, garbage and or other waste discarded material, including but not limited to, the accumulation of asphalt, concrete, plaster, tile, rocks, bricks, crates, cartons, boxes, dirt, sand or gravel are considered code violations.

Graffiti Abatement

The existence of graffiti on any building, fence, wall, equipment, motor vehicle, trailer, sign or other object on private or public property or in the public right-of-way is a violation of the Dixon Municipal Code. Owners are responsible for the removal of such nuisances that exist on their property.

In 2014, the Dixon Police Department established a Volunteer Graffiti Abatement Program with Kiwanis of Dixon to assist property owners with graffiti abatement. It is proven that the quick removal of graffiti often leads to a reduction in having that same area tagged again. Having volunteers and donated materials, from Recology and property owners, has helped efficiently remove graffiti from public and private properties. It is important that property owners understand that the City Ordinance has not changed and the abatement of all public nuisances, including graffiti, remains the responsibility of the property owner. However, if they would like to participate and take part in the volunteer program, they must contact the Code Compliance Division at the Dixon Police Department.

Weed Abatement

In 2014, the Code Compliance Division was responsible for enforcing the Weed Abatement Program. The program consists of first identifying affected parcels and then by resolution, declaring any weeds, rubbish and debris on the parcels as a hazard. Out of the 187 parcels that received notices to abate weeds from their property, **ALL** parcels complied with the Weed Abatement Program Requirements and were abated by the Property Owners.

Dry weeds on vacant properties pose a fire hazard when not abated.

Reported Code Compliance Site Conditions

Community Action and Awareness Unit

The primary function of this unit is to provide positive contact between the police department and the community. This goal is achieved by interaction between the public and representatives of the police department. Throughout the year, there are numerous public events as well as school presentations and police department tours in which the CAAU is involved.

Another integral part of this unit is the Cadet Program. The Cadet Program involves youth who are interested in learning the fundamentals of law enforcement. The Cadets are provided the opportunity to ride along with officers, assist at public events by providing traffic control or interact with the public by providing handouts or assisting with presentations. This program establishes a sense of community pride as well as teaching the basics of community service. A highlight this year was the participation of the Dixon Cadets in the first Cadet Academy sponsored by the Solano County Sheriff's Department. This three (3) day event included all aspects of attending a regular police academy. The Cadets learned the basics of what is necessary to complete a police academy.

During the 2014 year the Community Action and Awareness Unit was involved in the following community activities.

- DEA prescription drug take back. April and September
- Dixon Mayfair — booth for handouts at fairgrounds
- Neighborhood Watch meetings
- School Attendance Review Board monthly meetings
- Safety Presentation-Lincoln Creek apartments
- Lamb Town handout distribution
- Fire Prevention Day
- Senior Resource Fair
- Montessori School Harvest Festival
- Red Ribbon Week handouts at school sites
- Halloween Candy giveaway
- C.A. Jacobs Career Fair
- Cub Scout Tour of PD
- Toys for Tots
- Sunshine Pre-school safety presentation
- Heritage Commons-Senior safety presentation
- National Night Out
- Christmas Tree Lighting-hot chocolate handout

CITY OF DIXON CRIME STATISTICS

UNIFORM CRIME REPORTING

Every year the City of Dixon Police Department collects and disseminates the reported Part I and Part II Crimes that have occurred within the City of Dixon. This statistical data allows the Police Department a view of crime trends, criminal conduct and acts as a tool for crime analysis purposes. These statistics allow the Police Department to predict and plan, and they provide a perspective as to certain offenses and certain geographic areas in which criminal behavior occurs. Although statistics assist in identifying criminal conduct, they alone are not the sole determining factor for predicting the City's public safety needs. Crime is driven by many factors such as economic conditions, employment opportunities, shifts in demographics, population, resources, and fluctuations in law enforcement staffing.

This section contains statistics gathered under the guidelines for the FBI/DOJ's Uniform Crime Report (UCR) Program. UCR is a law enforcement program that provides a nationwide view of crime based on the submission of statistics by law enforcement agencies throughout the country. UCR divides crime into two groups, Part I and Part II offenses.

PART I CRIMES

A safer community is, and has always been, a priority for the City Council and the Dixon Police Department. Part I crimes increased overall for a second year in a row. Contributing to this increase is the increase in the number of robberies reported after a statistically low number of reports in 2013.

PART I CRIMES Types of Offenses	2013	2014	Actual Change	Percentage Difference
Homicide	0	0	0	0%
Rape	4	9	5	125%
Robbery	2	20	18	900%
Assault (Aggravated)	30	23	-7	-23%
Burglary	103	60	-43	-42%
Larceny Theft	263	320	57	22%
Auto Theft	45	50	5	11%
Arson	1	2	1	100%
TOTALS	448	484	36	8%

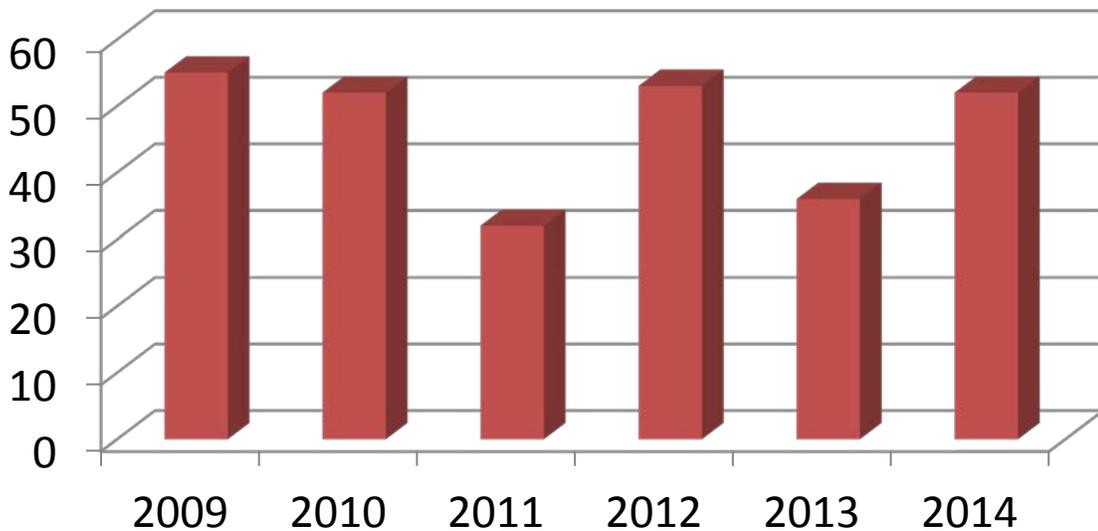

Crimes against Persons

In 2014 there were 52 crimes against persons, which is a 44% increase from the 36 incidents in 2013. Crimes against persons are violent crimes involving the following:

- **Criminal Homicide** – Unlawful killing of a person.
- **Forcible Rape** – Assaults or attempts to commit rape by force or threats.
- **Robbery** – Taking or attempting to take valuables from the care, custody, or control of a person by force or threat of force or violence, and/or by putting the victim in fear.
- **Aggravated Assault** – An attack by a person upon another to inflict severe or aggravated bodily injury (with a weapon or by means likely to cause death or great bodily harm).

Total Part I Crimes Against Persons 2009-2014

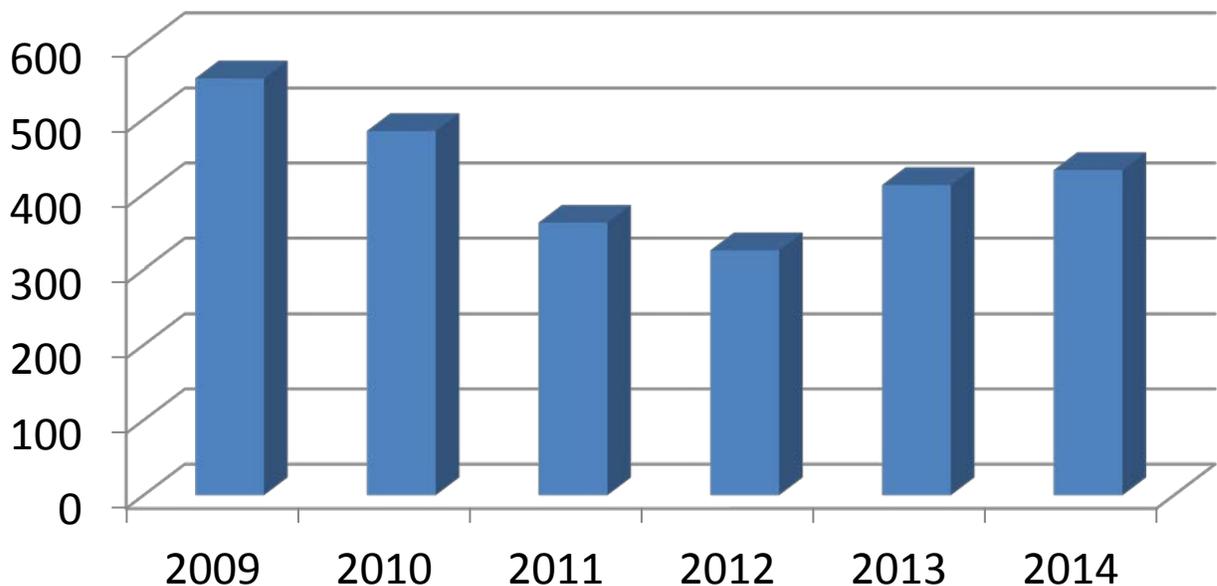

Crimes against Property

Following a steady decline of property crimes over the previous 5 years, there was an increase in property crime for the second time in 2014. In 2014, there were 432 property crimes reported in the City of Dixon. Property crimes are the following crimes:

- **Burglary** – Unlawful entry or attempts to unlawfully enter a structure to commit a felony or theft.
- **Larceny, Theft** – Unlawful taking, carrying, leading, or riding away of property from another. Pick-pocketing, purse snatching, shoplifting, theft of motor vehicle parts or accessories, bicycles, thefts from buildings, coin operated machines, and all other larcenies are included.
- **Motor Vehicle Theft** – Theft or attempted theft of a motor vehicle.
- **Arson** – The willful or malicious act to attempt to burn, with or without intent to defraud, a house, public building, motor vehicle or aircraft, or personal property of another.

Total Part I Property Crimes 2009-2014

Crime Analysis

Historically, the causes and origins of crime have been the subject of investigations by many people. Some factors known to affect the volume and type of crime occurring are:

- Population density and degree of urbanization
- Variations in composition of the population, particularly youth concentration
- Stability of population including residents' mobility, commuting patterns, and transient factors
- Modes of transportation and highway systems
- Economic conditions, including median income, poverty level, and job availability
- Cultural factors, and educational, recreational, and religious characteristics
- Family conditions with respect to divorce and family cohesiveness
- Climate
- Effective strength of law enforcement agencies
- Administrative and investigative emphasis of law enforcement
- Policies of other parts of the criminal justice system (i.e. prosecutorial, judicial, correctional, probational)
- Citizen attitude toward crime
- Crime reporting practices of the citizens

With regard to the City of Dixon, there is no one clear factor to the reported crime in 2014. We have seen changes in business and growth, changes in economics, and an increase of traffic on the I-80 corridor, all of which all may have an impact on our crime statistics. The shifting of a significant number of state prisoners from the state to the counties under Assembly Bill 109 has caused a major increase in our county jail population, and additionally an increase of our population prone to criminal activity. Supervision of many parolees previously handled by the California Department of Corrections and Rehabilitation has shifted to counties and is posing a major challenge to probation departments and law enforcement. Dixon PD is working with all agencies within Solano County to address this by establishing teams and participating in regular compliance checks of these criminal offenders.

The following chart is for comparison of Part I Crimes throughout Solano County in 2014.

2014 SOLANO COUNTY PART I OFFENSE COMPARISON

PART I CRIMES Types of Offenses	Solano S.O.	Benicia	Fairfield	Rio Vista	Suisun City	Vacaville	Vallejo*	Dixon
Homicide	1	0	7	0	1	Not available	19	0
Rape	1	4	41	0	9		65	9
Robbery	<i>Not available</i>	8	201	1	29		374	20

Burglary	192	145	651	45	109		2,422	60
Larceny Theft	168	283	2,514	45	394		1,502	320
Auto Theft	30	56	636	23	104		1,042	50
Arson	10	8	10	<i>Not available</i>	<i>Not available</i>		47	2
TOTALS	673	518	4,322	153	675	<i>Not available</i>	6,054	484

* Vallejo stats include end of year projections, final stats were unavailable.

PART II CRIMES

Part II offenses encompass all other crime classifications. Simple (non-aggravated) assault is classified as a Part II offense.

➤ *Other Assaults-Simple, not Aggravated* – All assaults that do not involve the use of a firearm, knife, cutting instrument, or other dangerous weapon and in which there were no serious or aggravated injuries to the victim. Simple assault is not within the crime index. It is a Part II offense collected to look at the total assault violence.

PART II CRIME STATISTICS

PART II CRIMES Types of Offenses	2013	2014	Actual Change	Percent Change
Crimes against Family & Children	42	18	-24	-57%

* Definition of Calls for Service

Every call received by telephone or radio transmission and entered into the CAD System is a Call for Service.

A Call for service is a request for a response. The response may be a telephone call, a radio transmission, a counter visit, or a physical response by authorized law enforcement personnel, both sworn and non-sworn.
